
Recreation Camp Behaviour and Expectations

Thank-you for registering your child in our Day Camp. In order to ensure that camp is a success for everyone, including your child(ren), we have outlined our camp expectations below. Please review these carefully, and contact us directly if you have any questions.

We require that a parent/guardian is available and reachable by phone during camp hours should an issue arise. If a child needs to leave camp for any reason, the parent/guardian will be required to pick the child up and take them home.

Camp Rules

Camp rules are rooted in respect and safety. Our campers, leaders and camp facilities all need to be treated with the care and respect they all deserve. Campers will be review all rules on the first day of each week of camp with their camp leaders, but we ask that you review these with your child(ren) as well.

Should you hear of any bullying happening at camp that we have not brought to your attention please let us know so that we can address it directly.

Children who threaten the safety of themselves or others, or are continually disruptive to the running of the program will be asked to leave for the day.

Camp Staff will be in consistent contact with all parents involved in any incidents

we have various rentals throughout the summer and we are not able to guarantee nut-free spaces.

Electronics

- Electronics will not be permitted at camp, and may be confiscated and stored safely in the camp office until the end of the day.

Medication

- Our staff are not trained to administer any form of medication. We do not have a secure storage facility for medications in the camp facility, and we highly discourage campers from carrying medications on their person. Should your child require medication we request that this be done before arriving to camp, during a lunch break or after camp.
- Lifesaving medications such as Epi Pens and Ventolin Puffers are allowed, however campers are responsible for carrying them wherever they go.

Here's to a great camp!
