(Iqaluit, Nunavut) The City of Iqaluit would like to remind people that the 2015 Large Item Pick-up is over and that the disposal of any waste piles currently existing are the responsibility of the homeowner or building owner on whose property the waste piles are located.

Further, it has been noted that there have been piles of waste placed next to several access vaults around the City. The City urges people to please refrain from doing this as it poses a hazard to our Utilidor workers.

Also, please be advised that placing solid waste on City property is unlawful under the provisions of By-Law 341 (Solid Waste) and is subject to the fines described in Schedule A of the By-Law.

For more information, please contact Public Works Administration at 979-5630.
