Volunteer Firefighter Recruitment Information Session

August 22, 2022 – Iqaluit, Nunavut

Are you interested in helping your community?

Are you looking to gain new skills and make new friends at the same time?

Are you interested in being introduced to and trained in the fire service as a firefighter?

The Iqaluit Fire Department is recruiting dedicated individuals to join the department as a volunteer firefighter!

What does this involve?

Volunteer firefighters are heavily relied on to compliment the full time staff at the fire hall in the event of a fire or large scale incident.

Volunteer firefighters will carry a pager and could be called out at anytime 24 hours a day, 365 days a year. These could be calls for a:

- Structure fire
- Motor vehicle collision
- Natural disaster

Or any number of various emergencies that happen in the city that require a response from the fire department.
