Water Conservation

February 3, 2023 – Iqaluit, Nunavut

The City of Iqaluit would like to ask residents to conserve water this weekend.

The seasonable February temperatures add another level of difficulty to all outdoor operations, and the City's frontline staff will be doing their jobs in those challenging conditions.

Any efforts to conserve water will free Public Works employees to handle more pressing matters. Thank you for your assistance.

For additional information, please contact:

Sue Avery

Public Works Clerk

City of Iqaluit

867-979-5630 | s.avery@iqaluit.ca

To report an urgent water issue (city water main leak or no water pressure) after hours contact:

City Dispatch 867-979-5650
