Driveway/Entrance Closure to Inuksugait Plaza

March 6, 2024 – Iqaluit, Nunavut

The City of Iqaluit would like to advise residents that the main driveway to Inuksugait Plaza, located off Ikaluktuutiak Drive (red X mark on the map below), will be closed **effective March 6th at 1pm**, to allow for water infrastructure repair.

Residents, businesses and their visitors will still have access to the area; however, they will need to follow detour signs to access Inuksugait Plaza from the back entrance, next to the GN Department of Environment Building (neon green circle on the map below).

The City of Iqaluit apologizes for any inconvenience and thanks residents for their understanding.
