Burn Permit Reminder for Open Flame Outdoor Fires

June 10, 2024 – Iqaluit, Nunavut

The City of Iqaluit would like to remind residents that a burn permit is required for any open flame outdoor fires.

Permit Application Process:

1. **Submission:** Residents must complete and submit a burn permit application to Dispatch at dispatch@iqaluit.ca before starting a fire.
2. **Approval:** Residents must wait to receive the approved burn permit back from Dispatch before having a fire.

Application Access:

- The burn permit application can be found on the City of Iqaluit website: [Emergency Services Department](#).

Permit Specifics:

- The burn permit applies only to open flame fires, such as bonfires and fire pits. Coleman stoves or lamps do not require a permit.
- Only wood is permitted for burning. Burning tires, mattresses, or other non-wood materials is strictly prohibited.

Compliance:

- If a fire is reported and no permit has been obtained, residents will be asked to extinguish the fire and will be informed about the permit requirement.
- Residents may be charged for any fire department response and extinguishment required.

For any questions, please email Dispatch at dispatch@iqaluit.ca or call 867-979-5650.
