## Annual Maintenance at Iqaluit Aquatic Centre

July 17, 2024 – Iqaluit, Nunavut

---

The City of Iqaluit would like to advise residents that the Iqaluit Aquatic Centre will undergo annual maintenance from July 27, 2024, to August 11, 2024. As a result, the following facility closures will be in effect:

- **Pool Area Closure:** July 27, 2024 – August 11, 2024
- **Fitness Area Closure:** August 4, 2024 – August 11, 2024
- **Full Facility Closure:** August 4, 2024 – August 11, 2024

During the full facility closure dates (August 4 to 11), a booking window will be available from 12:00 PM to 2:00 PM for those who need to book/pay for facility rentals.

Each year, it is necessary to close the swimming pool for maintenance to meet public safety standards and service expectations. This annual maintenance period allows us to perform essential work that cannot be completed while the facility is in use. These closures are crucial for extending the life of the city's assets, reducing the likelihood of program interruptions due to mechanical failure, and ensuring a safe environment for all staff and guests.

The City thanks you for your understanding and cooperation during this period.
