ADMINISTRATION'S RESPONSIBILTiy FOR FINANCIAL REPORTING

Municipal Council, which is responsible for, among other things, the preparation of the financial statements of the City of Iqaluit, delegates to Administration the responsibility of the financial statements. Municipal Council appoints independent auditors to examine and report directly to them on the financial statements. Administration prepared the financial statements. Accounting principles have been followed in accordance Public Sector Accounting Standards.

Administration maintains a system of internal accounting controls to ensure that transactions are accurately recorded on a timely basis, are properly approved and result in reliable financial statements. There are limits inherent in all systems based on the recognition that the cost of such systems should not exceed the benefits to be derived. Administration believes its system provides the appropriate balance in this respect.

Municipal Council carries out its responsibility for review of the financial statements primarily through the Finance Committee. The Committee meets regularly with Administration to discuss financial matters, including the results of audit examinations. The Committee reports its findings to Municipal Council for its consideration in approving the financial statements for issuance.

The financial statements have been reported on by Baker Tilly Arctic Inc., Chartered Professional Accountants. The auditor's report outlines the scope of their audit and their opinion on the presentation of the information included in the financial statements.

Steven England
Chief Administrative Officer
City of Iqaluit

April 22, 2025

Date

Responsibilities of Administration and Those Charged with Governance for the Consolidated Financial Statements

Administration is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian Public Sector Accounting Standards, and for such internal control as administration determines is necessary to enable the preparation of consolidated financial statements that are free of material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, administration is responsible for assessing the City's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless administration either intends to liquidate the City or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the City's financial reporting process.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by administration.
- Conclude on the appropriateness of administration's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the City's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the City to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

As required by Section 144 of the *Cities, Towns and Villages Act* of Nunavut we report that, in our opinion, these principles have been applied on a basis consistent with that of the preceding year.

We further report in accordance with the *Cities, Towns and Villages Act* of Nunavut that, in our opinion, proper books of account have been kept by the City, the consolidated financial statements are in agreement with the records maintained by the City and the transactions that have come under our notice have, in all significant respects, been within the statutory powers of the City.

CITY OF IQALUIT
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2024

1. SIGNIFICANT ACCOUNTING POLICIES

The consolidated financial statements of the City of Iqaluit (the "City"), are the representations of Administration and in Administration's opinion, have been properly prepared within reasonable limits of materiality within the framework of the significant accounting policies summarized below:

(a) Reporting Entity

These consolidated financial statements reflect the assets, liabilities, revenues and expenditures of the General Operating Fund, Water Sewer Fund, Sanitation Program Fund, Land Development Fund and Reserve Fund and include all the activities of all committees of Council. All inter-fund assets, liabilities, revenues, and expenditures are eliminated.

The City receives significant funding from the Government of Nunavut in the form of operating and capital contributions. Administration is of the opinion that discontinuance of funding would significantly disrupt operations.

(b) Changes in Accounting Policies

Feasibility Studies

During the year ending December 31, 2024, the City reviewed its accounting policy for the capitalization of feasibility studies to ensure compliance with the Public Sector Accounting Standards (PSAS). Based on this review, it was determined that feasibility studies do not meet the definition of tangible capital assets under PS 3150, as they are not tangible in nature and do not provide economic benefits over multiple periods. As a result, feasibility studies previously capitalized were adjusted in the current year and recorded as an expense. The impact of this change was a decrease in tangible capital assets by \$155,036 and a decrease to the current year surplus by the same amount.

(c) Basis of Accounting

The consolidated financial statements of the City are prepared in accordance with Public Sector Accounting Standards as recommended by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada (CPA Canada).

(d) Use of Estimates

The preparation of the consolidated financial statements of the City requires Administration to make estimates and approximations based on information available as of the date of the consolidated financial statements. Significant estimates include assumptions used in estimating provisions for accrued liabilities, allowance for doubtful accounts, valuations of employee future benefits and closure and post-closure liabilities. Actual results could differ from those estimates and approximations.

CITY OF IQALUIT
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2024

1. SIGNIFICANT ACCOUNTING POLICIES (continued)

(e) Fund Accounting

The City maintains the General Operating Fund, Water Sewer Fund, Sanitation Program Fund, Land Development Fund and Reserve Fund. Transfers between funds are recorded as adjustments to the appropriate fund balance.

(f) Financial Instruments

The City initially measures its financial assets and financial liabilities at fair value adjusted by, in the case of a financial instrument that will not be measured subsequently at fair value, the amount of transaction costs directly attributable to the instrument. The City subsequently measures all its financial assets and financial liabilities at amortized cost.

Financial assets measured at amortized cost include cash and cash equivalents, accounts receivable and land leases receivable. Financial liabilities measured at amortized cost include accounts payable and accrued liabilities, long-term debt and obligations under capital lease.

It is management's opinion that the City is exposed to significant interest and credit risks arising from these financial instruments as described in Note 12.

(g) Budget

Budget figures are unaudited and were originally approved by Council on February 6, 2024 and reflect revisions made by Council during the year.

(h) Cash and Cash Equivalents

Cash and cash equivalents are comprised of bank account balances net of outstanding cheques and short term highly liquid investments that are readily convertible to cash. Short term investments are recorded at the lower of cost or market value.

(i) Inventory

Inventory for Consumption

Inventories other than for resale are recorded at the lower of cost, determined on a weighted average basis, and net replacement cost.

Inventory of Land Held for Resale

The cost of lots sold is recorded at estimated cost which is assumed to equal the selling price until all costs of development of an area are known. Therefore the inventory of land held for resale represents the residual amount of costs to date on the project.

CITY OF IQALUIT
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2024

1. SIGNIFICANT ACCOUNTING POLICIES (continued)

(j) Tangible Capital Assets

Tangible capital assets are recorded at cost. Depreciation is provided using methods and rates intended to depreciate the cost of assets over their estimated useful lives. Estimated useful life and depreciation methods are set forth below:

<u>Category</u>	<u>Threshold</u> <u>(\$)</u>	<u>Estimated</u> <u>Useful</u> <u>Life</u>	<u>Depreciation</u> <u>Method</u>
Buildings	10,000	40 years	Straight-line
Cemetery development	All	Indefinite	NA
Computer equipment - hardware	5,000	3 years	Straight-line
Computer software	5,000	3 years	Straight-line
Furniture and fixtures	5,000	5 years	Straight-line
Granular source	All	Indefinite	NA
Infrastructure - water and sewer	10,000	30 years	Straight-line
Infrastructure - sewage treatment	10,000	30 years	Straight-line
Infrastructure - waste	10,000	30 years	Straight-line
Land	All	Indefinite	NA
Assets under construction	All	NA	NA
Machinery and equipment - office	10,000	5 years	Straight-line
Machinery and equipment - heavy equipment	10,000	18 years	Straight-line
Playgrounds - recreation	10,000	18 years	Straight-line
Roads	All	30 years	Straight-line
Vehicles	All	7 years	Straight-line

(k) Contributed Tangible Capital Assets

Tangible capital assets acquired as contributions are recorded at their fair value on the date received. Equivalent amounts are recorded as other capital contributions on the consolidated statement of operations.

(l) Interest Capitalization

Interest expenses incurred relating to the tangible capital assets under construction are capitalized until the point that the construction is complete and the tangible capital asset is ready for use.

CITY OF IQALUIT
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2024

1. SIGNIFICANT ACCOUNTING POLICIES (continued)

(m) Deferred Revenue

Certain amounts are received pursuant to legislation, regulation or agreement and may only be used in the conduct of certain programs or in the completion of specific work. In addition, certain user charges and fees are collected for which the related services have yet to be performed. These amounts are recorded as deferred revenue and are recognized as revenue in the year during which the related expenses are incurred provided eligibility criteria and stipulates have been met.

(n) Leases

Leases are classified as capital or operating leases. Leases which transfer substantially all of the benefits and risks incidental to ownership of property are accounted for as capital leases. All other leases are accounted for as operating leases and the related lease payments are charged to expenditures as incurred.

(o) Post Employment Benefits

Under the terms and conditions of employment, City employees may earn benefits for retirement, vested sick leave, severance and removal costs upon termination of employment. The estimated liability for these benefits is recorded as the benefits are earned by the employees. Severance liabilities are also recorded when employees are identified for lay-off.

CITY OF IQALUIT
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2024

1. SIGNIFICANT ACCOUNTING POLICIES (continued)

(p) Asset Retirement

A liability for an asset retirement obligation is recognized at the best estimate of the amount required to retire a tangible capital asset at the financial statement date when there is a legal obligation for the City to incur retirement costs, the past transaction or event giving rise to the liability has occurred, it is expected that future economic benefits will be given up, and a reasonable estimate of the amount can be made. The best estimate of the liability includes all costs directly attributable to asset retirement activities, based on information available at year-end. The best estimate of an asset retirement obligation incorporates a present value technique, when the cash flows required to settle or otherwise extinguish an asset retirement obligation are expected to occur over extended future periods.

When a liability for an asset retirement obligation is initially recognized, a corresponding asset retirement cost is capitalized to the carrying amount of the related tangible capital asset. The asset retirement cost is amortized over the useful life of the related asset. Asset retirement obligations which are incurred incrementally with use of the asset are recognized in the period incurred with a corresponding asset retirement cost expensed in the period.

At each financial reporting date, the City reviews the carrying amount of the liability. The City recognizes period-to-period changes to the liability due to the passage of time as accretion expense. Changes to the liability arising from revisions to either the timing, the amount of the original estimate of undiscounted cash flows or the discount rate are recognized as an increase or decrease to the carrying amount of the related tangible capital asset. The City continues to recognize the liability until it is settled or otherwise extinguished. Disbursements made to settle the liability are deducted from the reported liability when they are made.

CITY OF IQALUIT
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2024

1. SIGNIFICANT ACCOUNTING POLICIES (continued)

(q) Tax Revenue

Property taxes are a function of assessed values and mill rates. The assessed values are determined through application of Territorial legislation and the mill rates are set by Council. The revenue is recognized in the period the taxes are levied.

(r) Government Transfers

Government transfers are recognized in the consolidated financial statements as revenues when:

- 1) a transfer without eligibility criteria or stipulations is authorized.
- 2) a transfer with eligibility criteria but without stipulations is authorized and all eligibility criteria have been met.
- 3) a transfer with or without eligibility criteria but with stipulations is authorized and all eligibility criteria have been met, except when and to the extent that the transfer gives rise to an obligation that meets the definition of a liability.

(s) Land Lease Revenue

Land lease revenue is recognized based on the date of the lease.

(t) Fees and User Charges

Fees and user charges relate to water, sewer and solid waste; fees for use of various programming and facilities and fees imposed based on specific activities. Revenue is recognized when the activity is performed or when the services are rendered.

(u) Expenses

Expenses are reported on the accrual basis of accounting, which recognizes expenses as they are incurred and measurable, as a result of receipt of goods or services.

Expenses which are wholly attributable to a particular fund are charged directly to the appropriate fund. Where expenses are not wholly attributable to a specific fund these expenses are allocated amongst the applicable funds based on administration's estimates of the time, effort and resources required to support these activities.

CITY OF IQALUIT
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2024

1. SIGNIFICANT ACCOUNTING POLICIES (continued)

(v) Reserves

Reserves are established at the discretion of Council to set aside funds for future expenditures. Transfers to and/or from reserves are reflected as an adjustment to the respective fund and not as revenues or expenditures in the consolidated statement of operations.

The reserves as established by Council and their purposes are as follows:

General Operating Fund

- General reserve was established to accumulate funds for general operations or budget shortfalls.
- Building reserve was established to accumulate funds for purchasing or constructing new buildings.
- Road reserve was established to accumulate funds for future road paving, maintenance or development.
- Minor equipment reserve was established to accumulate funds for replacement of minor equipment.
- Vehicle reserve was established to accumulate funds for purchasing new vehicles.
- Heavy equipment reserve was established to accumulate funds for purchasing or repair of heavy equipment.
- R.E.A.C.H. reserve was established to accumulate sponsorship and donated funds for future R.E.A.C.H. program expenditures.
- Quarry development reserve was established to accumulate funds for future quarry development.

Water Sewer Fund

- General reserve was established to accumulate funds for water sewer operations or budget shortfalls.

Sanitation Program Fund

- Equipment reserve was established to accumulate funds for purchasing or repair of equipment.

Land Development Fund

- General reserve was established to accumulate funds for land operations or budget shortfalls.
- Land improvements reserve was established to accumulate funds for land improvements or development.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2024

2. PRIOR PERIOD ADJUSTMENT

The December 31, 2024, consolidated financial statements have been prepared taking into account changes for corrections to, and restatement of previously reported balances. The following summarizes the changes to the 2023 comparative balances included in these consolidated financial statements.

The previously reported accounts receivable under the federal grant in-lieu were overstated due to accounting errors. As a result, the ending December 31, 2023, excess revenues and the accumulated fund balances have decreased by \$940,413 from what was previously reported and accounts receivables have decreased by the same amount.

3. CASH AND CASH EQUIVALENTS

General Operating Fund maintains the cash and cash equivalents for other funds not fully funded on their own. The actual cash and cash equivalents position is as follows:

	<u>2024</u>	<u>2023</u>
General operating fund	\$ 33,845,317	\$ 21,723,521
Aquatic centre funds	845,418	1,038,988
Capital projects funds	16,259,248	6,493,390
Land development funds	5,023,995	3,538,913
Internally restricted funds	1,763,063	1,691,481
Reserve funds	<u>15,606,273</u>	<u>14,931,192</u>
	<u>\$ 73,343,314</u>	<u>\$ 49,417,485</u>

Cash and cash equivalents consist of operating and savings accounts with the Royal Bank of Canada. Cash invested in savings accounts earns interest at variable rates.

Included in the land development fund cash and cash equivalents is \$409,665 (2023 - \$363,165) of performance bonds held in trust.

Included in the general operating and capital projects fund is \$2,367,174 (2023 - \$4,177,409) relating to Gas Tax Funding and \$6,829,264 (2023 - \$5,000,000) related to Canada Mortgage and Housing Corporation Funding. The interest earned on these funds is added to the funding for the capital projects for which the funds were originally received. The use of this cash and cash equivalent is restricted to approved projects under various capital project agreements.

CITY OF IQALUIT
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2024

4. ACCOUNTS RECEIVABLE

Taxes and grants in lieu

	<u>2024</u>	<u>2023</u> (Restated - Note 2)
Total municipal taxes receivable	\$ 6,512,779	\$ 6,496,346
Allowance for doubtful collection	<u>(4,056,906)</u>	<u>(3,667,457)</u>
	2,455,873	2,828,889
Grants in lieu receivable	<u>119,988</u>	<u>2,692,560</u>
	<u>\$ 2,575,861</u>	<u>\$ 5,521,449</u>

Trade and other

	<u>2024</u>	<u>2023</u>
Water and sewer service	\$ 6,871,844	\$ 5,742,099
General accounts receivable	11,517,740	18,182,223
GST refundable	1,105,241	1,351,277
Contracts	444,231	45,224
Lower base accounts receivable	5,105	11,174
Allowance for doubtful accounts	<u>(2,162,643)</u>	<u>(2,018,784)</u>
	<u>\$ 17,781,518</u>	<u>\$ 23,313,213</u>

Included in General accounts receivable is amounts due from funders related to capital projects.

5. LAND HELD FOR RESALE

Land held for resale represents the following balances.

	<u>2024</u>		<u>2023</u>	
	<u>Number of</u> <u>Lots for</u> <u>Resale</u>	<u>Value</u>	<u>Number of</u> <u>Lots for</u> <u>Resale</u>	<u>Value</u>
Lake subdivision	1	\$ 4,314	1	\$ 4,314
Joamie court	1	-	1	-
Plateau subdivision 1	1	-	1	-
Other	<u>12</u>	<u>87,000</u>	<u>10</u>	<u>68,200</u>
	<u>15</u>	<u>\$ 91,314</u>	<u>13</u>	<u>\$ 72,514</u>

CITY OF IQALUIT
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2024

6. LAND LEASES RECEIVABLE

	<u>2024</u>	<u>2023</u>
Land leases receivable	\$ 1,993,982	\$ 1,200,142
Land leases receivable - in arrears	<u>1,139,129</u>	<u>1,087,600</u>
	3,133,111	2,287,742
Allowance for doubtful collection	<u>(483,352)</u>	<u>(371,257)</u>
	<u>\$ 2,649,759</u>	<u>\$ 1,916,485</u>

Land leases receivable bear various interest rates from 10% to 12%, are due in various periods from 1 years to 25 years and are secured by a leasehold interest in land.

7. ASSET RETIREMENT OBLIGATIONS

Landfill

The City operates a landfill site and is legally required to perform closure and post-closure activities upon retirement of this site. Closure and post-closure activities include the final cover, landscaping, as well as surface and ground water monitoring, and inspection. A liability for the total obligation, which was incurred when the site started accepting waste, irrespective of volume of waste accepted has been accrued. The City estimates that no obligation is incurred incrementally due to the volume of waste accepted, therefore, no further obligation is being accrued based on value of waste accepted. The City has not designated assets for settling closure and post-closure liabilities.

Asbestos and fuel tank abatement

The City owns various buildings which contain asbestos and several fuel tanks and, therefore, the City is legally required to perform abatement activities upon renovation or demolition of these assets. Abatement activities include handling and disposing of the asbestos in a prescribed manner when it is disturbed, and environmental protection for fuel tanks. The City has not designated assets for settling the abatement activities.

Total asset retirement obligations:

	<u>2024</u>	<u>2023</u>
Balance, beginning of year	\$ 17,126,840	\$ 16,628,000
Liabilities incurred	500,000	-

CITY OF IQALUIT
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2024

11. OTHER INFORMATION

Change in Allowance for Doubtful Accounts Receivable and Related Bad Debts Expense (Recovery)

The following amounts owed to the City have been considered doubtful of collection during the year and have been recorded as a bad debts expense (recovery) in their respective funds:

	<u>2024</u>	<u>2023</u>
Municipal taxes receivable	\$ 389,449	\$ (170,399)
General accounts receivable	194,858	(47,288)
Municipal services receivable	(26,000)	117,000
Land leases receivable	<u>112,094</u>	<u>78,680</u>
	<u>\$ 670,401</u>	<u>\$ (22,007)</u>

12. FINANCIAL ASSETS AND LIABILITIES

The significant financial risks to which the City is exposed are credit risk and interest rate risk.

a) Credit risk

Credit risk is the risk that one party to the financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The City is exposed to credit risk in the event of non-performance by counterparties in connection with its accounts receivable. The City does not obtain collateral or other security to support general accounts receivable subject to credit risk. Municipal taxes and services receivable mitigate credit risk by ultimate collection upon sale of property.

b) Interest rate risk

Interest rate risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The bank loans payable bear interest at varying rates. Changes in the bank's prime lending rate can cause fluctuations in interest payments and cash flows. The City has mitigated this risk by entering into loans at fixed interest rates.

CITY OF IQALUIT
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2024

13. CONTINGENT LIABILITIES

Environmental

The City of Iqaluit has identified various environmentally hazardous sites within the municipal boundaries of the City. Environmental problems include contaminated soil and groundwater and a sewage treatment facility in need of upgrades. Responsible government authorities have been notified of these environmental risks for remedial action. As the outcome of these environmental hazards is not presently determinable, no provision for a loss has been accrued in these consolidated financial statements.

Statements of Claim

The City was served with a fire-related statement of claim filed against several defendants, seeking damages for general negligence, punitive damages and aggravated damages. The total amount being sought is \$14,500,000, the likelihood of the outcome is unknown. The amount of any contingent loss has not been recorded in these financial statements. The dispute is being handled by the City's insurer. The maximum exposure would be limited to the applicable deductible in the situation. The amount of an expense, if any, will be recorded in the period known.

The City was served with a statement of claim filed against several parties, seeking damages following an environmental spill on a property. The total amount being sought is \$1,200,0000, the likelihood of the outcome is unknown. The amount of any contingent loss has not been recorded in these financial statements. The amount of an expense, if any, will be recorded in the period known.

The City was served with a fire-related statement of claim filed against several parties, seeking damages following a fire at a commercial property. The total amount being sought is \$477,276 plus costs and interest, the likelihood of the outcome is unknown. The matter was resolved in the subsequent year, without any financial contribution by the City.

Arbitration

A contractor has provided the City with a notice of arbitration related to an infrastructure project in the amount of \$151,624. Document production will be exchanged and the claim is being assessed. The amount of an expense, if any, will be recorded in the period known.

CITY OF IQALUIT
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2024

13. CONTINGENT LIABILITIES (continued)

Quarry Site Restoration

Upon termination of the Quarry Administration Agreement between the City and the Government of Nunavut, the City is required to deliver up possession of the quarry site restored to the satisfaction of the Government of Nunavut. To date the City does not have complete information required to estimate restoration costs. As such these costs have not been recorded in these consolidated financial statements. The amount of an expense, if any, will be recorded in the period known.

Pay Equity and Grievances

There are a number of claims outstanding against the City for various grievance matters. The City is working with the Nunavut Employees Union in order to resolve the claims. However, the outcome of these claims is not currently known. As of December 31, 2024, no provision has been made in these financial statements. The amount of an expense, if any, will be recorded in the period known.

Insurance

The City participates in the Nunavut Association of Municipalities Insurance Exchange. Under these programs the City is insured for property, automotive and liability. Under the terms of membership, the City could become liable for its proportionate share of any claim losses in excess of the funds available. Any liability incurred would be accounted for in the year the losses are determined.

14. COMMITMENTS

Premises Rent

The City rents premises for space under lease agreements that expire between 2024 and 2031. Annual minimum lease payments under the terms of the leases are as follows:

2025	\$ 634,566
2026	438,032
2027	438,032
2028	423,032
2029	408,032
2030 and thereafter	<u>442,035</u>
	<u>\$ 2,783,729</u>

In addition to the commitments noted above, the City has multiple construction and service commitments spanning one to three years, with values ranging from \$300,000 to \$2,700,000.

15. COMPARATIVE AMOUNTS

Certain 2023 financial statement amounts have been reclassified to conform to the financial statement presentation adopted in the current year.
