## Sewer Maintenance – May 21 to June 27

May 16, 2025 – Iqaluit, Nunavut

---

The City of Iqaluit would like to inform residents that Tower Arctic Ltd., on behalf of the City, will be conducting sewer maintenance work throughout the community.

Work will take place on the side of the roads between the Access Vaults and Manholes (AV/MH's) from May 21 to June 27, 2025. A map highlighting the areas and anticipated dates of work is attached for reference.

We do not expect any service interruptions during this period. However, residents may notice occasional noise or bubbling in their building plumbing systems.

If any issues arise, please contact the Tower Arctic Office at (867) 979-6465.

We appreciate your patience and understanding as this necessary maintenance is completed.

##
