## Trucked Water & Sewer Home Survey – City of Iqaluit

March 3, 2026 – Iqaluit, Nunavut

---

The City of Iqaluit is collecting information from properties with trucked water and sewer services to help improve service reliability, scheduling, and infrastructure planning.

Take part in the Trucked Services Home Survey between March 3 and March 16, 2026 for a chance to win:

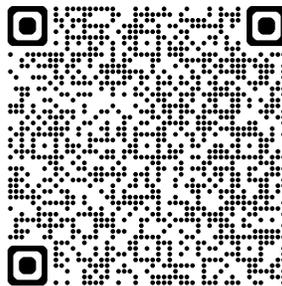

- One of three (3) \$500 Visa Gift Cards

You'll receive:

- 1 entry for completing the survey
- 1 extra entry if you upload a photo of your water tank

Eligibility: Open to Iqaluit residential and commercial properties that receive trucked water and/or sewer services. One entry per property.

Scan the QR code to begin your survey and help improve Iqaluit's trucked services.
