Swimming Lesson Lottery – Selection Complete

April 7, 2026 – Iqaluit, Nunavut

The lottery process for the spring session of swimming lessons has now closed.

This session received a high volume of entries. The lottery system is used to support fair and consistent access to programs for all families, regardless of when or how they can register.

Each session's lottery is conducted independently using a randomized selection process. As a result, previous participation or waitlist status does not influence future selections, and all registrants have an equal chance of being selected each session.

Participants who were selected in the lottery would have received a receipt sent to the email address associated with their Activenet account, confirming their registration in the assigned level.

Participants who were not selected will remain on a waitlist. Waitlisted names were also drawn during the lottery and may be offered a space if a withdrawal occurs in their selected level.

Residents who are unsure whether they were selected, or who would like to inquire about their position on the waitlist, are encouraged to contact Teryn Bubnick at t.bubnick@iqaluit.ca
