2026 Mass Registration

August 13, 2026 – Iqaluit, Nunavut

Looking for ways to stay active, connected, and make the most of winter?

The City of Iqaluit Recreation invites local sports organizations, non-profits, and community groups to take part in the upcoming Mass Registration on Saturday, September 5, 2026, at the Iqaluit Curling Rink from 12 – 3PM.

This annual event is a great opportunity for organizations to share their programs, meet residents, and register participants for the upcoming season. Residents are encouraged to stop by, explore what is available, and discover new ways to stay social and active during Iqaluit's long, cold winter months.

Whether you are looking for a new sport, a community group, or simply a good reason to leave the couch before spring, Mass Registration is the place to start.

Organizations interested in hosting a table are asked to register by emailing **m.pinksen@iqaluit.ca**. Please include your organization name and contact information.

Come by, bring your curiosity, and see what our community has to offer. Hibernation is not the only winter activity!
