Inclement Weather – Recreation Facilities Closure

November 17, 2026 – Iqaluit, Nunavut

The City of Iqaluit would like to advise residents that due to inclement weather conditions, all City recreation facilities and services will close effective 5:00 PM for the remainder of the evening to ensure staff can return home safely.

Emergency services and road clearing operations will continue until further notice.

Regular recreation services are anticipated to resume tomorrow morning, weather conditions permitting.

The City of Iqaluit apologizes for any inconvenience and thanks residents for their understanding.
