

Employment Opportunity Aquatics Program Supervisor

Reporting to the Aquatics Program Manager, the Aquatics Program Supervisor is responsible for implementing recreational and instructional aquatics programs to meet the needs of the community. They will be responsible for lesson schedules, registration, staff scheduling, training and development of instructors and lifeguards. They will perform lifeguarding duties and instruct swimming lessons. They must understand and embody the core competencies of the Recreation Department and have advanced communication skills. They must also possess the ability to listen effectively to concerns and complaints, in order to provide high quality conflict resolution with guests, staff and the general public.
