

ADDENDUM

Project Name:	GARAGE CUTTING EDGE
Addendum Number:	1
Project ID:	2026-RFQ-006
Date:	21-05-2026

The following change(s) in the Tender Documents are effective immediately.

This Addendum forms part of the Contract Documents. The changes outlined in this addendum shall take precedence over the original contract documents.

Question:

Can the City confirm the correct part numbers and product descriptions for the Weldco cutting edges listed in the tender documents?

Response:

The City confirms that the serial number for the WBM plow is 4W31272-1 or XT31342. A photo of the blade tag has been provided for reference.

For the CAT blade, the City is seeking cutting edges only to fit the noted 479-8118 blade assembly. Proponents are not being asked to quote the full blade assembly.

Question:

Can the City confirm the bucket size and bucket type for the John Deere 204K cutting edge listed in the tender?

Response:

The City confirms that the John Deere 204K has an original John Deere bucket with a capacity of 1.1 cubic metres.

The bucket information is as follows:

Bucket serial number: 2005838

Bucket part number: AT413237
