Project ID:	2026-RFT-006

The following change(s) in the Tender Documents are effective immediately.
 The Addendum forms part of the Contract Documents. The changes outlined in this addendum shall take precedence over the original contract document.

Please find below a revised specification list in Appendix B

Appendix B – Required Specifications

PICKUP TRUCK Checklist

The list below is based on required minimum specifications for each equipment. The City has the right to reject alternatives at its sole discretion. Bidders are therefore encouraged to bid on the equipment being specified.

Note:

Some features/accessories may not be available as factory options or standard equipment and must be supplied and installed by the dealer separately. These costs are to be included in the tender. The equipment must be supplied with all related equipment manuals and warranty information/schedules.

Please answer YES or NO to each requirement/ retrofitting listed below.

If the requirement could not be met, please specify the alternative proposed.
