Tenders are required to conform to the conditions below. For further instructions on how to submit an electronic bid through MERX, refer to the MERX Electronic Bid Supplier Guide, via the following link – <https://marketing.merx.com/Support/EBSGuide.pdf>. Alternatively, you can contact MERX customer service at 1-800-964-6379.

- 3.2 Bidders must obtain a unique PIN number from MERX in order Bidders must obtain a unique PIN number from MERX in order to upload electronic bid submission documents. It is important to keep this PIN number in a permanent location as it will be required each time you wish to submit a bid response to a call to tender.
- 3.3 Electronic tenders are to be received before **June 3, 2026– 3:00 PM EST**.
- 3.4 The final decision on whether to accept late Bids is at the City’s discretion.

END OF SECTION

SECTION B – TENDER CONDITIONS

1. SUBMISSION REQUIREMENTS

- 1.1 The tenderer shall complete all documents pertaining to this contract in ink or in type.
- 1.2 If the tenderer is a corporation, an authorized officer of the corporation shall sign and seal the form of tender.
- 1.3 If the tenderer is a partnership, a minimum of two partners shall sign the form of tender and signatures shall be witnessed.
- 1.4 If the tenderer is a sole proprietorship, the sole proprietor shall sign the form of tender and the signature shall be witnessed.
- 1.5 The tenderer shall submit its tender by the date and time specified in Part I of the tender.
- 1.6 The tenderer shall submit to the City in their complete bid submission:
 - i. Completed form of tender, which includes:
 - a. Appendix A – Consent of Surety
 - b. Appendix B – Cost Submission Form
 - c. Appendix C – List of Subcontractors
 - d. Appendix D – List of Equipment
 - e. Appendix E – List of Product Suppliers
 - f. Appendix F – Labour and Equipment Rates
 - ii. Bid bond.

Failure to submit the required items identified in (i) and (ii) may present a major or minor irregularity on the bid refer to 1.7 and 1.8 on how major and minor irregularities are to be addressed. The City shall be the sole judge of whether or not a tender contains irregularities.
- 1.7 Bidders will be automatically disqualified for any major irregularities on their bid submission. Major irregularities are defined as deviations from the competitive procurement process request that affects the price, quality, quantity or delivery, and is material to the award.
- 1.8 Tender irregularities that are minor irregularities will be handled in the first instance by conferring with the tenderer to seek clarification. Minor irregularities are defined as deviations from the competitive process request, which affects form, rather than substance. The effect on the price, quality, quantity or delivery is not material to the award. The bidder will be given the opportunity to adjust the irregularity and continue in the process. However, if an unsatisfactory irregularity remains after consulting with the tenderer, the tenderer may be disqualified.
- 1.9 The tenderer shall submit electronic files through MERX or EMAIL for both their Security Deposit and Consent of Surety, alongside the electronic tender submission.
- 1.10 The successful tenderer shall submit to the City the following documents within five (5) business days of the day the City notifies the successful tenderer that the documentation should be sent to the City:
 - i. Valid City of Iqaluit Business License.
 - ii. Form of tender forms, which include
 - a. Appendix C – Subcontractors List.
 - b. Appendix D – Equipment List.
 - c. Appendix E – Product Suppliers List.

d. Appendix F – Labour & Equipment Rates.

2. INQUIRIES AND AMENDMENTS

2.1 All inquiries concerning this RFT are to be directed by email only to:

Oghenerugba Ugboduma
Project Officer of Engineering and Capital Projects
Email: O.Ugboduma@iqaluit.ca

2.2 The deadline for submitting inquiries is **May 27, 2026 – 3:00 PM EST.**

2.3 Written addendums issued as part of this RFT, in response to inquiries, will be posted publicly on the City's website and on MERX. Verbal explanations or instructions will not be binding.

2.4 Tenderers assume all risk of delivery of amendments. Without limiting the foregoing, the City shall not be held liable for any claim, demand or other action should a transmission be interrupted, not received in its entirety, received after the closing time, received by another electronic means other than specified through MERX or City Website, or for any other reason over which the City does not have control.

3. SECURITY DEPOSIT

3.1 Every submission shall be accompanied by a security deposit payable to the City of Iqaluit, in an amount not less than 10% of the total Tender amount. The security deposit shall be in the form of one of the two following security deposit options and shall be submitted with the tender's electronic tender submission:

3.1.1 OPTION #1: A Digital Bid Bond:

- i. Tenderers shall submit a copy of the Digital Bid Bond and follow the submission instructions as stated above in Section 1.9.
- ii. If Tenderer's are using this option, the Tenderer and the Tenderer's Surety should refer to the digital bonding information on Surety Association of Canada's website. Information at this site includes:
 - a. A list of third parties that provide online surety digital bond services, such as Mobile Bonds or Xenex. The City does not endorse or promote any third-party digital bond service provider.
 - b. An Industry Checklist which digital bonds provided should meet.
- iii. The Digital Bid Bond shall be digitally verifiable. The results of the digital verification process shall provide a clear and immediate indication that the document received is the true document executed and that the content has not been changed or altered.
- iv. All instruction details for performing the digital verification of the bond should be included with the uploaded bond and be clear and concise.

3.1.2 OPTION #2: Scanned Paper Bid Bond / Certified Cheque, Bank Draft, Money Order (PDF Format):

- i. Tenderers shall scan and attach a copy of the paper bid bond, certified cheque, bank draft or money order and follow the submission instructions as stated above in 1.9. Tenderer's will be required to provide to the City the original bid bond, certified cheques, bank draft, and/or money order that were scanned and attached with the tender submission within 72 hours of tender close. Failure to provide the above original document(s) or to enter into a contract may result in the tenderer being barred from future tender opportunities for the City of Iqaluit for an indeterminate period of time

- ii. If an alternative bid bond is used, it is recommended that tenderer’s request either an ink seal from their surety or that they trace over the embossed seal prior to scanning to allow for the seal to be visible to the City.
- 3.2 Bid bonds shall be in the name of the City of Iqaluit as obligee and signed and sealed by the tenderer and by a surety licensed to conduct business as a surety in Nunavut.
- 3.3 The City shall not pay interest on security deposits.
- 3.4 Bid bonds shall be Bid Bond Form CCDC Document No. 220, latest edition, effective until sixty (60) business days after the Closing Date.
- 3.5 Security deposits will be returned after delivery to the City of the required performance bond and labour and material payment bond by the successful tenderer.
- 3.6 If the Contract is not awarded, all security deposits will be returned with reasonable promptness after such decision is made by the City.
- 3.7 After all executed contracts and bonds are received, and the contract award is made, the successful tenderer and the contract value will be posted on the MERX website. After contract award, the bid deposit of the successful tenderer and all tenderers shall be null and void.

4. CONSENT OF SURETY

- 4.1 Tenderers must submit with the bid and bid bond, a “Consent of Surety,” stating that the surety is willing to supply the performance bond and labour and material payment bond as specified.
- 4.2 A “Consent of Surety” shall be in one of the two following options and shall be submitted with the Tenderer’s submission and as instructed above in 1.9.
 - i. The City’s “Consent of Surety” Form provided in Appendix A.
 - ii. Other “Consent of Surety” Form used by a Surety company and authorized by law to do business in the Territory of Nunavut, and acceptable to the City.
 - iii. In lieu of a bond, the City may accept a certified cheque or irrevocable letter of credit as indicated in section 22.1.

5. PERFORMANCE ASSURANCE

- 5.1 The accepted bid shall provide security (by way of bonds or a security deposit) as stated in the contract documents.
- 5.2 The cost of all security shall be included in the tender prices.

6. ORDER OF PRECEDENCE

- 6.1 The following order of precedence will apply:

ORDER OF PRECEDENCE
ISSUED ADDENDA
SERVICE/FORM OF AGREEMENT
PROCUREMENT AND CONTRACT REQUIREMENTS
SUPPLEMENTAL CONDITIONS

7. TERMS AND CONDITIONS

- 7.1 Submission of a bid constitutes acknowledgement that the tenderer has read and agrees to be bound by all the terms and conditions of this RFT.
- 7.2 The City will not make any payments for the preparation of a response to this RFT. All costs incurred by a tenderer will be borne by the tenderer.
- 7.3 This is not an offer. The City does not, by virtue of this tender call, commit to an award of a bid, nor does it limit itself to accepting the lowest price or any bid submitted, but reserves the right to award this bid in any manner deemed to be in the City's best interest.
- 7.4 Tenderers may amend their bid at any time prior to the closing date time. Tenderers may not amend their bid after the closing date time.
- 7.5 The City has the right to cancel this RFT at any time and to reissue it for any reason whatsoever, without incurring any liability and no tenderer will have any claim against the City as a result of the cancellation or reissuing of the RFT.
- 7.6 The City will not consider any bid that is delivered to any address or in any manner other than that provided in Part I Tender Call of this RFT.
- 7.7 If a contract is to be awarded as a result of this RFT, it will be awarded to the tenderer whose bid for each service, in the City's opinion, provides the best potential value to the City and is capable in all respects to perform fully the contract requirements and has the integrity and reliability to assure performance of the contract obligations.
- 7.8 If the City decides to award a contract based on a submission received in response to this RFT, the successful tenderer(s) will be notified of the intent to award in writing, and the subsequent execution of a written agreement shall constitute the making of a contract. Tenderers will not acquire any legal or equitable rights or privileges whatsoever until a contract is signed by both parties.
- 7.9 Any resulting contract will be in the form of the City's standard "City of Iqaluit Services Agreement" and it will contain the relevant provisions of this request for tenders, the accepted bid as well as such other terms as may be mutually agreed upon, whether arising from the accepted bid or as a result of any negotiations prior or subsequent thereto. The City reserves the right to negotiate modifications with any tenderer who has submitted a bid.
- 7.10 A copy of the Services Agreement is included in RFT.
- 7.11 Any amendment made by the City to the Request for Tender will be issued in writing and posted onto the bidding platform in accordance with Section 2.
- 7.12 The Bid and accompanying documentation submitted by the tenderers are the property of the City and will not be returned. Bid bonds will be returned to all unsuccessful Tenderers.
- 7.13 Tenderers must acknowledge receipt of any addenda issued by the City in their bid on the Section D – Form of Tender document.
- 7.14 Tenderers shall disclose in their bid any actual or potential conflicts of interest and/or existing business relationships it may have with the City, its elected or appointed officials or employees. The City may rely on such disclosure.
- 7.15 Tenderers and their agents will not contact any member of the City council, City staff or City consultants with respect to this RFT, other than the City representative named in Part I Tender Call, at any time prior to the award of a contract or the cancellation of this RFT.
- 7.16 If an arithmetical error is identified in the submitted bid between any individual price and the price extension (e.g. Unit Price x Quantity of Units), the individual price shall govern. The price extension

and the total Bid amount will be corrected accordingly.

- 7.17 For contracts that include multi-phased work which spans more than the current fiscal year, authorization to proceed with work phases that are to be completed in future years is conditional upon approval of capital spending by the City of Iqaluit council for each future year. Contracts will only be executed for work that has approved funding under the current fiscal budget.

8. VALIDITY OF OFFER

- 8.1 Bids shall remain open for acceptance for a period of not less than sixty (60) business days from the closing date of this RFT.

9. TENDER INELIGIBILITY

- 9.1 Bids that are unsigned, improperly executed, submitted to a location or in a manner other than specified in this RFT, incomplete, conditional, illegible, obscure or contain arithmetical errors, additions not called for, reservations, qualifications, erasures, alterations, or irregularities of any kind, or which are otherwise not completed or submitted in strict compliance with the Instructions to tenderers, may be rejected by the City whether they constitute as a major or minor Irregularity.
- 9.2 Notwithstanding anything to the contrary herein, the City may in its sole discretion elect to retain any such bid for consideration and may waive any or all of the foregoing, on such terms or conditions as the City may consider appropriate, even if any of the foregoing would otherwise render the bid null and void and the bid may be considered in the same manner as bids that fully conform to the requirements of the tender documents without qualification.

10. REVIEW AND ACCEPTANCE OF BID

- 10.1 Upon receipt of the bids, the City in its discretion may elect to conduct a post tender meeting with one or more tenderers to discuss in detail their respective bid submission and such other items as the City may consider appropriate or necessary without invalidating the procurement process.
- 10.2 Before award of the contract, the tenderer may be required to provide specific information with respect to its legal and or financial status.
- 10.3 The lowest or any tender will not necessarily be accepted.
- 10.4 Notwithstanding any custom of the trade to the contrary, the City reserves the right to reject the lowest bid, even if the lowest bid is a compliant bid, accept any bid or part thereof, negotiate any aspect of any bid, advertise for new bids, negotiate a contract as the City deems to be most advantageous to the City's interest without incurring any liability, and to award a contract to whomever the City in its sole and absolute discretion deems appropriate and solely in the best interest of the City and no tenderer will have any claim against the City as a consequence. Unless required otherwise, the City shall not, at any time, be required to disclose any information to the tenderers regarding the City's consideration and evaluation of bids.
- 10.5 Following acceptance by the City, a written Notice of Award will be issued to the successful tenderer. If the tenderer fails for any reason to execute and return the articles of agreement within seven (7) working days of receipt for signature of the Articles of agreement from the City, or fails to provide the performance bond and labour and material bond or other security deposit or to satisfy such other terms and conditions specified hereunder within any period specified, or such extension of time as may be granted by the City, then the City reserves the right to terminate the tenderer's right to complete the contract and to award the contract to whomever the City considers appropriate. The bid bond shall forthwith become payable.
- 10.6 The City shall not be obligated in any manner to the successful tenderer whatsoever until the contract has been awarded and the contract has been duly executed by the parties.
- 10.7 If the City receives no bids satisfactory to the City in its sole discretion, the City reserves the right in its sole discretion to negotiate a contract for the whole or any part of the Work with any one or

more persons whatsoever, including any one or more of the tenderers, or to postpone or cancel this bid and then issue a new tender, or to cancel or postpone some or all of the work.

- 10.8 The City shall not, under any circumstances, be responsible for any costs, expenses, loss, damage or liabilities, whether direct, indirect, consequential or economic in nature, incurred by a Tenderer as a result of, in connection with or incidental to:
- i. The tendering of the work;
 - ii. Costs incurred for the preparation of this bid;
 - iii. The acceptance or rejection of any bid; or
 - iv. The exercise by the City of its rights under this RFT.
- 10.9 By participation in the tendering process, the tenderer on its own behalf and on behalf of all firms, corporations and individuals comprising the tenderer, agrees that none of the City or its directors, officers, employees, agents and other representatives shall be liable to any tenderer, or any firm, corporation or individual comprising the tenderer, including in contract, tort, statutory duty, duty of fairness, duty of care, law, equity or otherwise, for any claims, direct or indirect, whether for costs, expenses, losses or damages, or loss of anticipated profits, or for any matter whatsoever, incurred in preparing and submitting a bid, or negotiations of a contract, or in any way arising in connection with the bid documents. The Tenderer further agrees on its own behalf and on behalf of all firms, corporations and individuals comprising the tenderer, that the award of the contract is in the sole discretion of the City and in no event shall the tenderer or any firms, corporations or individuals comprising the tenderer seek injunctive or other relief to prevent or delay the award of the contract or the performance of any work or services in relation thereto.

11. UNBALANCED TENDERS

- 11.1 The tenderer shall not submit an unbalanced tender.
- 11.2 The City shall have the right to:
- i. Deem a tender to be unbalanced; and;
 - ii. Reject a tender which may be, in its opinion, unbalanced.

12. COLLUSION

- 12.1 The tenderer shall not engage in collusion of any sort and, in particular, shall:
- i. Ensure that no person or other legal entity, other than the
 - a. Tenderer, has any undisclosed interest in the tenderer's tender; and
 - ii. Prepare its tender without any knowledge of, comparison of figures with or arrangement with any other person or firm preparing a tender for the same work.

13. RIGHT TO ACCEPT OR REJECT TENDERS

- 13.1 Notwithstanding any other provision in this contract, the City shall have the right to:
- i. Accept any tender;
 - ii. Reject any tender; and
 - iii. Reject all tenders.
- 13.2 Without limiting the generality of 12.1, the City shall have the right to:
- i. Accept an irregular tender;

- ii. Accept a tender which is not the lowest tender; and
- iii. Reject a tender even if it is the only tender received by the City.

13.3 Acceptance of the tender shall occur at the time the City awards the tender and not necessarily at the time the award is communicated to the successful tenderer.

14. CONTRACT DOCUMENTS

14.1 The tenderer shall obtain and review all contract documents as listed in the Form of Tender and all addenda issued by the City pertaining to this contract.

15. COMMENCEMENT AND COMPLETION OF WORK

15.1 The tenderer, in submitting the bid, agrees that the tenderer can complete the work by the date for completion stated in the tender form.

16. OMISSIONS, DISCREPANCIES AND INTERPRETATIONS

16.1 Tenderers finding discrepancies or omissions in the drawings or terms of reference or having doubt as to the meaning or intent thereof, shall at once notify the purchasing coordinator who will, if necessary, send written instructions or explanations to all tenderers.

16.2 Oral interpretations made to any tenderer shall not affect a modification of any provision of the tender documents. Only addenda written and issued by the City can be considered.

16.3 The City reserves the right in its sole discretion at any time, and for whatever reason to, by addendum, modify, amend or otherwise change the tender documents. Any such addendum shall be issued in writing and shall be expressly identified as an addendum to these tender documents. All such changes shall become part of the tender documents and their effects shall be reflected in the tender prices. The City also reserves the right in its sole discretion to cancel this tender at any time.

17. IRREVOCABILITY OF OFFER

17.1 The tenderer shall not revoke its offer until after the expiration of sixty (60) business days after the opening of tenders by the City.

17.2 If the tenderer revokes its offer prior to the expiration of sixty (60) business days after the tender opening, the tenderer shall forfeit its tender security deposit, but this shall not prohibit the City from pursuing and other legal remedy which it may have.

18. ALTERNATIVES & EQUALS

18.1 Where requested in this RFT, tenderers may propose alternatives or equals to the stated scope of work. In case alternate or equals are requested in this RFT, the following will apply:

- i. Where the tender documents stipulate a particular product, alternatives or equals will be considered by the City up to ten (10) calendar days prior to the closing time.
- ii. When a request to substitute an allegedly equal product is made to the City, the City may approve the substitution either as an equal or as an alternative and will issue an addendum to all tenderers. If a product is approved as equal, all tenderers may use that product in place of the specified product. If the product is approved as an alternative, tenderers shall base their prices upon the specified product and shall indicate in the bid the change in price which will apply if use of the alternative product is allowed.
- iii. In their submission of alternatives to specified products, tenderers shall include and allow for any changes required in the work to accommodate such alternative products. A later claim by the contractor for an addition to the contract price
 - a. because of changes in the Work necessitated by use of

alternative products shall not be considered.

- iv. Where selected products are stipulated in the tender documents the bid shall be based on the use of only these selected products.
- v. Bids with alternative products will not be considered, unless the alternative has been approved by the City and communicated to the bidders through an addendum as noted in 18.1(ii). Bids with alternatives that have not been approved by the City will be deemed non-compliant.
- vi. Submissions shall provide sufficient information to enable the City to determine the acceptability of such products.
- vii. Provide complete information on required revisions to other work and products to accommodate each alternative product, and the amount of addition or reduction from tender prices, including required revisions, for each alternative product.
- viii. Unless a bid for an alternative product is submitted in this manner and later accepted, provide the product specified.

19. PUBLIC OPENING

- 19.1 A public opening of bids will be completed for this competition.
- 19.2 The public opening details are provided in section 27.

20. TENDER SIGNING

- 20.1 The bid must be executed under seal by the tenderer.
- 20.2 If the tenderer is an individual or a partnership, the bid shall be executed by the individual or a partner in the presence of a witness and the signatory must show the capacity in which he or she signs (e.g.: “Partner” or “Proprietor”).
- 20.3 If the tenderer is a corporation, the bid shall be executed under the seal of the company, affixed in the presence of the authorized officers or two directors.
- 20.4 If the tenderer is a joint venture, each party to the joint venture shall execute the bid under seal in the manner appropriate to such party.

21. APPENDICES TO FORM OF TENDER

- 21.1 Tenderers shall complete all appendices attached to the form of tender and submit these with the tender.

22. PROVISIONAL ITEMS

- 22.1 Provisional items shall mean items for which only very approximate quantities have been included in the tender documents. No work for which "Provisional" items are allowed shall be commenced without written instructions from the City.
- 22.2 Once a tenderer has been chosen by the City for the project, it shall be open to the City to accept, reject or negotiate the tenderer’s bid for any provisional item contained in the Bid. Should the City choose to reject the successful tenderer’s bid for such provisional work, it shall be open to the City to call for new bids for this work and the successful tenderer for the Project may submit a Bid if they choose.

23. SUCCESSFUL TENDERER – BONDS

- 23.1 The successful tenderer and its surety shall provide:
 - i. A performance bond signed and sealed by the Tenderer’s surety;
 - ii. A labour and material payment bond signed and sealed by the Tenderer’s surety;

Each in the amount of at least fifty percent (50%) of the total Tender price. The cost of Bonds shall be included in the Tender price.

23.2 The surety of the successful tenderer and the bonds referred to in 23.1 must be originals and shall be to the satisfaction of the City.

24. SUCCESSFUL TENDERER – WORKERS’ SAFETY AND COMPENSATION COMMISSION CERTIFICATE OF CLEARANCE

24.1 The successful tenderer shall provide the City with a valid workers’ safety and compensation commission certificate of clearance to the satisfaction of the City.

25. SUCCESSFUL TENDERER – EXECUTION OF ARTICLES OF AGREEMENT

25.1 The successful tenderer shall execute in accordance with Section 1, in triplicate, the articles of agreement provided in the contract documents.

25.2 The successful tenderer shall forward the executed articles of agreement to the City.

26. SUCCESSFUL TENDERER – INSURANCE

26.1 The successful Tenderer shall provide the City with an original Certificate of Insurance for each type of insurance coverage required.

26.2 The contractor shall carry insurance as described in Part II Service Agreement.

26.3 The contractor shall carry insurance, which names the following as additional insureds:

END OF SECTION

SECTION C – SCOPE OF WORK

The scope of the Work is to remove hazardous waste materials from City-controlled areas in a safe, organized, compliant, and environmentally responsible manner while allowing municipal operations to continue without unnecessary interruption.

The Work shall include all labour, supervision, materials, tools, equipment, containers, packaging, transportation, permits, approvals, documentation, coordination, and incidentals required to safely and lawfully remove hazardous waste materials from the designated work areas and deliver them to an approved receiving, recycling, treatment, or disposal facility.

The Contractor shall also supply and deliver replacement storage items and related materials as identified in Part I – Appendix B: Cost Submission Form. Where existing storage items containing hazardous waste are removed from the site, the Contractor shall provide equivalent replacement storage items to the City at the time of removal, unless otherwise directed in writing by the City.

Contractor Responsibilities

The Contractor shall be fully responsible for the means, methods, techniques, sequencing, coordination, supervision, and execution of the Work. The Contractor shall provide all necessary labour, materials, equipment, tools, supervision, transportation, packaging, documentation, permits, and services required to complete the Work in accordance with the Contract Documents.

The Contractor shall be responsible for coordinating all trades, subcontractors, carriers, suppliers, disposal facilities, and any other parties required to complete the Work. The Contractor shall also be responsible for resolving any conflicts between its own forces, subcontractors, suppliers, carriers, and other contractors or City operations occurring in or near the Work areas.

The Contractor shall not rely on the City to provide specialized labour, equipment, containers, packaging materials, transportation arrangements, or disposal coordination unless expressly stated in the Contract Documents or by the City Superintendent.

Hazardous Waste Removal and Handling

The Contractor shall remove, sort, gather, organize, package, label, load, transport, ship, and dispose of all hazardous waste materials identified in Part I – Appendix B: Cost Submission Form, as well as any additional materials confirmed by written change order.

The Work shall include, but is not limited to:

1. Completing a pre-work site inspection with the City to confirm locations, access, site conditions, waste types, and estimated quantities.
2. Identifying, sorting, segregating, and organizing hazardous waste materials by waste type, compatibility, transportation class, and disposal requirements.
3. Supplying all required packaging, drums, sea containers, totes, pallets, liners, drums, quatex bags, absorbents, spill-control materials, secondary containment, and other materials required for safe handling and shipment.
4. Preparing hazardous waste materials for transportation and sealift in accordance with all applicable legislation, carrier requirements, and approved disposal facility requirements.
5. Loading and securing materials for transport from the work site to the sealift staging area, port, vessel, receiving facility, treatment facility, recycling facility, or disposal facility, as applicable.
6. Coordinating sealift booking, documentation, delivery timing, and shipment requirements with the appropriate marine carrier.

7. Transporting or arranging the transportation of hazardous waste materials to an approved facility capable of lawfully receiving, treating, recycling, or disposing of the materials.
8. Providing all required manifests, shipping documents, chain-of-custody records, disposal certificates, recycling certificates, and any other documentation required by the City or by authorities having jurisdiction.
9. Cleaning the immediate work area following removal of materials and leaving the site in a safe, orderly condition acceptable to the City.

The Contractor's unit prices shall include all costs associated with sorting, handling, packaging, labelling, loading, transportation, sealift, storage, coordination, disposal, documentation, permitting, administration, and any other related activities required to complete the Work.

Replacement Storage Items

For each storage item containing hazardous waste that is removed by the Contractor, the Contractor shall supply and deliver an equivalent replacement storage item to the City at the time of removal, unless otherwise directed in writing by the City.

The replacement storage items shall be new or in acceptable condition, fit for purpose, compatible with the intended use, and suitable for safe hazardous waste storage in northern/arctic conditions. Replacement storage items may include, but are not limited to, drums, totes, pallets, quatrex bags, sea containers, bins, or other storage items identified in the Cost Submission Form.

All replacement storage items supplied by the Contractor shall become the property of the City upon delivery and acceptance by the City.

All existing storage items removed from the site by the Contractor shall become the property and responsibility of the Contractor upon removal from the designated work area, unless otherwise directed in writing by the City.

Any sea containers or storage containers containing hazardous waste that are removed by the Contractor shall be inspected by a City representative prior to removal, where practical.

Any sea containers, storage containers, drums, totes, or other replacement storage items supplied by the Contractor shall also be inspected by a City representative prior to acceptance by the City.

The City reserves the right to reject any supplied storage item that is damaged, unsuitable, unsafe, leaking, structurally deficient, improperly labelled, incompatible with the intended use, or otherwise unacceptable to the City.

The Contractor shall replace any rejected storage item at no additional cost to the City.

Regulatory Compliance

The Contractor shall have a strong and thorough working knowledge of all applicable laws, regulations, guidelines, standards, best practices, and carrier requirements related to hazardous waste handling, packaging, transportation, storage, shipment, sealift, recycling, treatment, and disposal.

The Contractor shall comply with all applicable federal, territorial, municipal, environmental, transportation, occupational health and safety, and marine shipping requirements, including, but not limited to:

1. Transportation of Dangerous Goods Act and Regulations.
2. Canadian Environmental Protection Act and applicable hazardous waste movement requirements.
3. Cross-border Movement of Hazardous Waste and Hazardous Recyclable Material Regulations, where applicable.
4. Nunavut Environmental Protection Act and applicable Government of Nunavut hazardous waste requirements.

5. Workers' Safety and Compensation Commission requirements.
6. WHMIS requirements.
7. Marine carrier and sealift requirements.
8. Requirements of any approved receiving, recycling, treatment, or disposal facility.
9. Any other requirements of authorities having jurisdiction.

The Contractor shall be solely responsible for determining the applicable regulatory requirements and ensuring full compliance throughout the Work.

Permits, Approvals, Notifications, and Registrations

The Contractor shall obtain and maintain all permits, approvals, registrations, authorizations, waste generator/carrier/receiver requirements, disposal facility approvals, transportation documents, movement documents, and notices required to complete the Work.

The Contractor shall notify all authorities having jurisdiction as required and shall provide copies of all permits, approvals, registrations, manifests, movement documents, and related correspondence to the City upon request.

No hazardous waste shall be removed from the designated work site unless the Contractor has obtained all required approvals and has confirmed that the waste will be transported to an approved facility capable of lawfully receiving and managing the material.

Packaging, Labelling, Documentation, and Transportation

The Contractor shall ensure that all hazardous waste materials are properly classified, segregated, packaged, labelled, marked, documented, loaded, secured, transported, and shipped in accordance with all applicable requirements.

The Contractor shall ensure that all shipping documents, manifests, movement documents, labels, placards, safety marks, and other transportation documentation are complete, accurate, and available as required during transport.

The Contractor shall be responsible for correcting any rejected, incomplete, or inaccurate documentation at no additional cost to the City.

Ownership and Responsibility for Waste

Hazardous waste materials shall remain the responsibility of the Contractor once the materials are removed from the designated work area or otherwise accepted into the Contractor's care, custody, and control.

Upon removal from the City's site, the Contractor shall be responsible for the safe storage, transportation, shipment, tracking, delivery, recycling, treatment, or disposal of the materials until final acceptance by an approved receiving facility.

The Contractor shall not abandon, improperly store, improperly transfer, or dispose of hazardous waste materials at any unauthorized location.

Approved Disposal Facilities

The Contractor shall deliver all hazardous waste materials to facilities that are properly approved, licensed, registered, and capable of lawfully receiving, treating, recycling, or disposing of the specific waste materials being shipped.

The Contractor shall confirm facility acceptance requirements prior to shipment and shall be responsible for all coordination with the receiving facility.

The Contractor shall provide the City with written confirmation of final disposal, recycling, or treatment for each applicable waste stream. Certificates of disposal, certificates of recycling, manifests, movement documents, or equivalent proof of final disposition shall be submitted to the City in a format acceptable to the City.

Health, Safety, and Environmental Protection

The Contractor shall perform the Work in a safe and environmentally responsible manner. The Contractor shall protect workers, City staff, the public, property, municipal infrastructure, and the environment from hazards associated with the Work.

The Contractor shall provide and maintain all required personal protective equipment, spill response materials, fire protection equipment, first aid supplies, emergency response equipment, and environmental protection measures required to complete the Work.

The Contractor shall immediately report any spill, release, unsafe condition, damage, incident, or near miss to the City and to the appropriate authorities, where required. The Contractor shall be responsible for spill response, cleanup, remediation, reporting, and all associated costs resulting from the Contractor's operations.

Site Access and Coordination

The Contractor shall coordinate all site access, staging, loading, inspection, and removal activities with the City's designated representative.

The Contractor shall not interfere with City operations, public access controls, landfill operations, traffic routes, utilities, or other ongoing work unless approved by the City.

The Contractor shall maintain safe access routes, control work areas, and implement appropriate signage, barriers, traffic control, and exclusion zones as required.

Work Not Included in the Contract

The Contractor shall not perform any additional work unless the work is included in the RFT documents, included in the Contract award, or authorized by a written change order signed by the City.

Any additional quantities, services, removals, supplies, deliveries, or disposal activities completed without prior written authorization from the City shall not be eligible for payment.

The Contractor shall not proceed with out-of-scope work based on verbal direction, assumptions, site conditions, or convenience. All changes to the Work must be approved in writing by the City before the work is carried out.

Inspections and Site Visits

All pre-work inspections, post-work inspections, site visits, quantity confirmations, coordination meetings, and inspections required by the Contractor to complete the Work shall be included in the Contract price and shall be completed at no additional cost to the City.

The City may inspect the Work at any time. City inspection does not relieve the Contractor of responsibility for completing the Work in accordance with the Contract Documents and all applicable laws and regulations.

Deliverables

The Contractor shall provide the following deliverables, at minimum:

1. Pre-work inspection summary confirming waste types, quantities, site conditions, access requirements, and proposed work plan.

2. Hazardous waste handling, packaging, transportation, and disposal plan.
3. Copies of all required permits, approvals, registrations, authorizations, and carrier or facility confirmations.
4. Copies of all shipping documents, manifests, movement documents, bills of lading, sealift documents, and chain-of-custody records.
5. Photographic documentation before, during, and after removal, including photographs of packaged materials and replacement storage items.
6. Confirmation of delivery to the sealift staging area, port, receiving facility, recycling facility, treatment facility, or disposal facility, as applicable.
7. Certificates of disposal, recycling, treatment, or final acceptance for all applicable waste streams.
8. Summary report identifying materials removed, quantities removed, replacement storage items supplied, final destination of materials, and any issues encountered during the Work.
9. Any incident, spill, damage, or non-compliance reports, where applicable.

Completion Requirements

The Work shall not be considered complete until all hazardous waste materials authorized for removal have been removed, packaged, transported, shipped, and delivered to an approved facility; all replacement storage items have been supplied and accepted by the City; all work areas have been left in a safe and orderly condition; and all required documentation has been submitted to and accepted by the City.

The Contractor shall correct any deficiencies identified by the City at no additional cost to the City.

in Canadian funds, which price includes all specified cash and contingency allowances and the applicable taxes in force at this date excluding GST.

We have included herewith the security deposit and consent of surety as required by the instructions to tenderers.

The undersigned also agrees:

1. That the provisions of the instruction to tenderers apply, including without limitation provisions that provide that City is in no way obligated to accept this bid, the City may at its sole discretion to

accept any tender or part thereof or waive any defect, irregularity, mistake or insufficiency and accept any tender or alternative bid, in whole or in part, which is deemed by the City to be most favourable to its interest, and that limit the City's liability.

2. That the estimate of quantities shown in tender documents serves only to provide a basis for comparing bids and that no representations have been made by either the City or their agent that the actual quantities correspond therewith, and further, that the City has the right to increase or decrease the quantities in any or all items and to eliminate items entirely from the work.
3. That this bid is made without knowledge of the bid prices to be submitted for the work by any other company, firm or person.
4. That this bid is made without connection or arrangement with any company, firm or person submitting a bid for the work.
5. That this bid is made without any undisclosed connection or arrangement with any other company, firm, or person having an interest in this bid or in the proposed contract.
6. That this bid is irrevocable for sixty (60) business days after the closing time and that the City may at any time within such period accept this bid whether any other contract has previously been awarded or not and whether acceptance of another bid has been given or not.
7. If this bid is accepted by the City, to execute the articles of agreement and to present to the City the required security (by way of bonds or a security deposit) as stated in the general conditions within seven (7) calendar days after the date of notice of award.
8. If this bid is accepted within the time stated herein, and we fail to execute the articles of agreement and provide the required bonds or security deposit, or we request to withdraw, the security deposit provided with the bid shall be forfeited as damages to the City by reason of our failure, limited in amount to the lesser of the face value of the deposit or the difference between this bid and the price the contract is signed.
9. In the event our bid is NOT accepted within the time stated herein the required security deposit shall be returned to the undersigned in accordance with the provisions in the Instructions to bidders, unless a mutually satisfactory arrangement is made for its retention and validity for an extended period of time.
10. That payment for the work done will be made on the basis of the quantities measured by the City or its agent and at the bid prices shown in the tender form which shall be compensation in full for the work done under the terms of the contract.
11. That payment of the contingency allowance or portion thereof will only be made in the event that the City or its agent authorizes work, in which case the amount of payment will be determined as specified in the general conditions. Any unused portion thereof will be retained by the City.
12. To commence and proceed actively with the work on site within seven (7) business days of the date of the execution of the contract, and to substantially perform the work as identified under subclause 27.3.
13. That should the undersigned fail to complete the work in the time specified above, shall compensate the City of Iqaluit with the terms, conditions, and remedies set out in the Contract Documents.
14. That the undersigned has carefully examined the work described herein, has become familiar with local conditions and the character and extent of the work, has carefully examined every part of the

proposed contract and thoroughly understands its terms and conditions, has determined the source of supply and transport of the materials required, has investigated labour conditions and has arranged for the continuous performance of the Work described in the tender documents.

**PART II – SERVICE AGREEMENT
2026-RFT-010**

BETWEEN: THE MUNICIPAL CORPORATION OF THE CITY OF IQALUIT
(hereinafter referred to as the "CITY OF IQALUIT")

OF THE FIRST PART

AND: _____
(hereinafter referred to as the "Contractor")

OF THE SECOND PART

WHEREAS the CITY OF IQALUIT has requested the Consultant to provide engineering services for the <insert project name/ contract title>;

AND WHEREAS the Consultant has agreed to provide such services to the CITY OF IQALUIT in its proposal dated <insert proposal date>;

AND WHEREAS the CITY OF IQALUIT and the Consultant wish to set out the terms and conditions relating to the provision of such services.

1. SERVICES AND PAYMENT

- 1.1 The Contractor agrees to provide to the CITY OF IQALUIT those services set out in the job description and scope of work provided on <insert bid date> (the "Services").
- 1.2 The CITY OF IQALUIT agrees to pay for the services described above, a total amount not greater than <Bid Value>, for the provision of professional services based on the Bid dated <Bid Submission Date>.

2. TERM

- 2.1 This Contract shall commence on the <Contract Commence Date> and terminates on the <Contract Termination Date> unless otherwise terminated in accordance with the provisions of this Contract.

3. NOTICE AND ADDRESS

- 3.1 Any notice required to be given herein or any other communication required by this contract shall be in writing and shall be personally delivered, sent by facsimile, or posted by prepaid registered mail and shall be addressed as follows:
 - i) If, to the CITY OF IQALUIT:
Steve England

- 3.2 Every such notice and communication, if delivered by hand, shall be deemed to have been received on the date of delivery or if sent by prepaid registered mail shall be deemed to have been received on the seventh day after posting, or if by facsimile, 48 hours after the time of transmission, excluding from the calculation weekends and statutory holidays.

4. COMPLETE AGREEMENT

- 4.1 This contract and its attachments constitute the complete contract between the parties. Except as provided herein, it supersedes and shall take effect in substitution for all previous agreements. It is subject to change only by an instrument executed in writing by the City.

**PART II – SERVICE AGREEMENT
2026-RFT-010**

- 4.2 If this contract arises from a request for proposals or tender call, the provisions of the request for proposals or tender call and the contractor's bid or proposal submission are incorporated into this contract and may be used to clarify, explain or supplement this contract, but shall not be used to contradict any express terms of this contract.
- 4.3 In the event of a conflict between this contract, the contractor's bid or proposal submission, and the City's original tender bid instructions, the more recently prepared document shall govern to the extent of such inconsistency.

5. GENERAL TERMS

- 5.1 Any information obtained from or concerning any department of the CITY OF IQALUIT or clients of any department of the CITY OF IQALUIT, by the contractor, its agents or employees in the performance of any contract shall be confidential. The contractor shall take such steps as are necessary to ensure that any such information is not disclosed to any other person and shall maintain confidential and secure all material and information that is the property of the CITY OF IQALUIT and in the possession of or under the control of the contractor. This clause survives the termination of this contract.
- 5.2 Time shall in every respect be of the essence. The contractor shall deliver the services specified in the contract and according to the project schedule on costs. The CITY OF IQALUIT may grant reasonable extensions to the contractor for delays, if the contractor can show those delays were caused by circumstances beyond the control of the contractor.
- 5.3 The contractor is an independent contractor with the CITY OF IQALUIT and nothing in this contract shall be construed or deemed to create the relationship of employee and employer or of principal and agent between the CITY OF IQALUIT and the contractor. The contractor is solely responsible for payments of all statutory deductions or contributions including but not limited to pension plans, unemployment insurance, income tax, workers' compensation and the Nunavut Payroll Tax.
- 5.4 This contract shall be interpreted and governed in accordance with the laws of Nunavut and the laws of Canada as they apply in Nunavut.
- 5.5 No waiver by either party of any breach of any term, condition or covenant of this contract shall be effective unless the waiver is in writing and signed by both parties. A waiver, with respect to a specific breach, shall not affect any rights of the parties relating to other or future breaches.
- 5.6 The failure of either party at any time to require the performance of any provision or requirement of this contract shall not affect the right of that party to require the subsequent performance of that provision or requirement.
- 5.7 Title to any report, drawing, photograph, plan, specification, model, prototype, pattern, sample, design, logo, technical information, invention, method or process and all other property, work or materials which are produced by the contractor in performing the contract or conceived, developed or first actually reduced to practice in performing the contract (herein called "the Property") shall vest in the CITY OF IQALUIT and the contractor hereby absolutely assigns to the CITY OF IQALUIT the copyright in the property for the whole of the term of the copyright. The contractor shall not be responsible for any loss or damage suffered by the City of Iqaluit or any third parties resulting from any unauthorized use or modification of the property, errors in transmission of the property, changes to the Property by others, the consequences of design defects due to the design of others, or defects in contract documents prepared by others, and the City of Iqaluit agrees to defend, indemnify, and hold the Contractor harmless from and against all claims, demands, losses, damages, liability and costs associated therewith. Subject to the foregoing, the Property may be relied by the City of Iqaluit for design and construction work undertaken by other parties with respect to the Services provided that such parties verify the accuracy and completeness of the Property to their satisfaction.
- 5.8 It is intended that all provisions of this agreement shall be fully binding and effective between the parties, but in the event that any particular provision or provisions or a part of one is found to be void, voidable or unenforceable for any reason whatever, then the remainder of the agreement shall be interpreted as if such provision, provisions, or part thereof, had not been included.
- 5.9 This contract may be extended by the written consent of the parties.
- 5.10 The CITY OF IQALUIT may delegate any of its authority and undertaking pursuant to this contract to any employee or contractor the CITY OF IQALUIT by notice in writing to the Contractor.
- 5.11 This contract shall ensure to the benefit of and be binding on the respective administrators, successors and assignment of each of the parties hereto.

6. CONTRACTOR RESPONSIBILITIES

- 6.1 The Contractor shall provide all equipment, supplies and materials necessary in connection with providing and carrying out the Services. The Contractor shall obtain and maintain, at its expense, all permits and licenses, and comply with all applicable laws which shall or might affect or apply to the Services.
- 6.2 The Contractor shall perform the Services with that degree of professional skill, care and diligence that an experienced

and competent professional in the same field would use in performing similar services in relation to a project similar in scale and complexity to Services, and in a competent, efficient, lawful and ethical manner.

- 6.3 The Contractor shall indemnify and hold harmless, the CITY OF IQALUIT, its officers, employees, servants and agents from and against all claims, actions, causes of action, demands, losses, costs, damages, expenses, suits or other proceedings by whomsoever made, brought or prosecuted in any manner based upon or related to the negligent acts, errors, or omissions of the Contractor under this contract or the performance of the Services.
- 6.4 The Contractor shall be liable to the CITY OF IQALUIT for any loss or damage to property or equipment that is supplied to or placed in the care, custody or control of the Contractor for use in connection with the contract if such loss or damage is attributable to the negligence or deliberate acts of the Contractor or its employees or agents.
- 6.5 The Contractor shall not subcontract its Services hereunder, to any Subcontractor or third person without the prior written consent of the CITY OF IQALUIT. If the Contractor subcontracts any part of the Services, it shall require by contract that the Subcontractor comply with the provisions of this Contract of general application and of application specifically to the Services subcontracted, including without limitation to provide insurance as specified in ARTICLE 9. Contractor shall be fully responsible for any part of the Services performed by Subcontractor and for the acts or omissions of Subcontractor and all persons either directly or indirectly employed by them, to the same extent as the Contractor is for its own acts or omissions
- 6.6 The Contractor shall produce verbal and written reports, analyses, schedules, and other documents relating to the Services upon the request of the CITY OF IQALUIT. To produce the said reports, analyses, schedules and other documents the Consultant shall be given reasonable access facilities, equipment, and personnel of the CITY OF IQALUIT as may be required.
- 6.7 The Contractor shall establish and maintain, to the satisfaction of the CITY OF IQALUIT, appropriate business standards, procedures and controls including business standards, procedures and controls necessary to avoid any real or apparent impropriety or adverse impact on the interests of the CITY OF IQALUIT.
- 6.8 If, in the opinion of the CITY OF IQALUIT acting reasonably, the Contractor is in default in respect of any obligation of the Contractor hereunder, the CITY OF IQALUIT may rectify such default and any direct costs associated with any such remediation, including a reasonable allowance for the use of the CITY OF IQALUIT's own employees or equipment. Shall be due and owing by the Contractor to the CITY OF IQALUIT.
- 6.9 The Contractor may not assign or delegate work to be done under this contract, or any part thereof, to any other party without the prior written consent of the CITY OF IQALUIT. In the case of a proposed assignment of monies owing to the Contractor under this contract, the consent in writing of the CITY OF IQALUIT must first be obtained.
- 6.10 The Contractor shall keep proper accounts and records of the Services for a period of 3 years after the expiry or termination of this agreement. At any time during the term of this contract or during the three years following the completion or termination of this agreement, the Contractor shall produce copies of such accounts and records upon the written request of the CITY OF IQALUIT.
- 6.11 The Contractor shall notify the CITY OF IQALUIT immediately of any claim, action, or other proceeding made, brought, prosecuted or threatened in writing to be brought or prosecuted that is based upon, occasioned by or in any way attributable to the performance or non-performance of the services under this contract.
- 6.12 If at any time the Contractor considers their reasonable estimates indicate costs will exceed the project budget they will immediately advise the City of Iqaluit. If in the opinion of the City of Iqaluit, acting reasonably, the excess is due to design, costs factors or matters under the control or reasonably foreseeable by the Contractor, the CITY OF IQALUIT may require the Contractor to do everything by way of revision of the design to bring the cost estimate within the project budget. Costs of completing such revisions shall be based upon a level of compensation reasonably appropriate to the circumstances, including the reason for the revisions.
- 6.13 Except as required in the performance of Services set out in this agreement, the Contractor must maintain as confidential all data and information made available to the Contractor, the CITY OF IQALUIT, or any other parties which is generated by or results from the Contractor performance of the Services described in this Contract. All such data and information is the property of the City of Iqaluit. This clause shall survive the termination of the Contract.
