

Project:	2023-RFT-058 Lift Station 1 & Lower Iqaluit PT.A2 to LS1 Project		
Addendum No.	5	No. of Pages:	2
Date:	August 23, 2023	Doc. No:	P7201-810372863-119(1.0)

The following change(s) in the Request for Quotation Documents are effective immediately.
This Addendum forms part of the Contract Documents.

CLARIFICATIONS

- Q1.** Referring to addendum 2, please provide the section mentioned in addendum 2 (07 15 50).
- A1:** Section 07 15 50 is not part of the package. There was a typographic error when responding to addendum 2. The section number 01 18 50 should read **07 18 50**, which is related to Cementitious Water Proofing.

- Q2.** Please confirm that upon substantial completion of the 2024 scopes (Septage Receiving Station and Lower Iqaluit Sewer), the contractor will receive a substantial completion certificate for each of these scopes. If not, please clarify how operation of the infrastructure will be managed and what are the expectations should repair/maintenance be required?
- A2:** As provided for in Part III, General Conditions 5.3.e: *“Similarly, in accordance with the procedure set out above, the City Representative may in its absolute discretion, issue a Certificate of Substantial Performance in respect of any part of the Work which has been both completed to the satisfaction of the City Representative and which the City has elected to occupy or use prior to completion.”*
It is the City’s intention to issue a Partial Substantial Completion Certificate for the 2024 works (combining Septage Receiving Station and Lower Sewer) and a final Substantial Completion Certificate for the 2025 works (Lift Station No. 01).

- Q3.** In the specification Section 05 50 00 - 2.14 Work Tables, please indicate the details and quantities of the tables requested. Also, please confirm are they illustrated on any of the drawings?
- A3:** Steel Work Tables are not required for this project.

PUBLIC OPENING

The public opening will be held at 3:30 PM EST on August 30, 2023, using the following details.
