Q2. The project end date needs to take into account that the pre-fabricated concrete will be coming on the second and last boat of the season. We ask that the completion date and warranty start date be changed to October 10, 2023.

A2: The Culvert Replacement Substantial Performance shall be October 9, 2023. The Warranty Start Date shall be October 10, 2023. The Warranty End Date shall be October 10, 2024. The Project Completion Date shall be October 10, 2024.

Q3. Section 31 23 33.01 EXCAVATING, TRENCHING, AND BACKFILLING Item 3.11 states that surplus earth and other excavated materials will remain the property of the Owner and shall not be sold, thrown away, dumped, wasted, or otherwise disposed of, except as directed by the Engineer. Can you tell us where these materials shall be disposed of?

A3: The Contractor shall be responsible of material disposal. Any contaminated materials must be handled as required by all relevant rules, regulations, laws, guidelines, and bylaws. The City may have capacity to accept materials at the landfill however this cannot be guaranteed at this time. Asphalt cannot be disposed of at the landfill. Use of City landfill will require payment of any associated fees.
