ITEM	DESCRIPTION	ACTION
------	-------------	--------

### Questions by the Bidder:

1. Please provide the process flow chart as described in Section 1.3 of the RFP
2. Is laboratory work performed onsite? If so, what laboratory equipment is available on site and what tests are performed? If not, are the samples shipped to an outside laboratory?
3. In Section 6.1, item n, are the weekly meetings for the full year of the contract, and if so, how long are the meetings intended to last?

### Responses:

1. The Process flow chart is attached.
2. The sample collection and testing equipment is onsite and includes COD, pH and TSS. The samples are also sent to a southern laboratory for additional testing.
3. The weekly meetings will be performed for the full year of the contract and the duration will be for one hour.
