CITY OF IQALUIT REQUEST FOR PROPOSALS  
FOR THE PROVISION OF GEOTECHNICAL CONSULTING SERVICES FOR THE ROAD TO NOWHERE  
WATER INFILTRATION INSPECTIONS

## **1.0 GENERAL**

### **1.1 Introduction**

The City of Iqaluit, is seeking Proposals for **Geotechnical Consulting Services** for the Road to Nowhere Water Infiltration “the Project” for the City of Iqaluit. The purpose of this Request for Proposals is to select qualified consultants to complete the scope of work outlined in Appendix A.

The requirements of the submission are outlined in Sections 2 and 3 of this RFP.

### **1.2 Background**

The City of Iqaluit has been dealing with water ingress into carrier pipes in the Road to Nowhere residential area. The City are looking to obtain the necessary geotechnical surveys and have them evaluated to determine if the source of the water could be ground water.

The successful proponent is expected to retain a contractor to dig test pits and drill boreholes, and complete testing to fully understand the nature of groundwater in the area. A report should be provided outlining the results of the tests and an analysis of the results. Further details of the scope of work can be found in Appendix A – Scope of Work.

### **1.3 Definitions**

In this RFP the following definitions shall apply:

“City” or “Owner” means City of Iqaluit;

“Contract” means a formal written agreement between the and the successful Proponent to undertake the services, the preferred form of which is attached as Appendix B;

“Proponent” means an entity that submits a Proposal;

“Proposal” or “Submission” means a Proposal submitted on response this RFP;

“RFP” means Request for Proposal;

“Site” means the place or places where the services are to be performed;

“Successful Proponent” means the Proponent selected to enter into negotiations for a contract.

Matthew Van Strien  
Procurement Officer  
City of Iqaluit  
[M.VanStrien@city.iqaluit.nu.ca](mailto:M.VanStrien@city.iqaluit.nu.ca)

Emails should be clearly marked in the subject line with “City of Iqaluit–Consulting Services” and the Proponent name.

Proponents shall submit a Cost Submission form identifying the corresponding costs, as shown in Appendix B.

The total size of email submissions should be less than 9MB in size to facilitate delivery and adequate time must be allowed for delivery. It is the Proponent’s responsibility to confirm successful receipt of the email submission prior to the deadline.

The final decision on whether to accept late Proposals is at the City’s discretion.

### **2.2 Inquiries and Amendments**

All inquiries are concerning this RFP are to be directed by email only to:

Matthew Van Strien  
[M.VanStrien@city.iqaluit.nu.ca](mailto:M.VanStrien@city.iqaluit.nu.ca)

The deadline for submitting inquiries is 5 business days prior to the date and time of the submission deadline.

To ensure consistency and fairness to all Proponents, all firms who have received the RFP will receive any information with respect to significant inquiries in the form of written addenda. Verbal explanations or instructions will not be provided.

### **2.3 Proponent Requirements**

The successful Proponent(s) must have a valid City of Iqaluit Business License prior to award of any Contract.

WATER INFILTRATION INSPECTIONS

Proposals that do not meet the mandatory requirements will not be considered further.

### 3.4 Technical Evaluation

**Total Value 70 Points**

#### .4.1 Project Team Roles, Responsibility, Qualifications and Related Experience (20 Points)

Identify key personnel to be involved in the project, and ensure their roles and responsibilities are clearly defined. Identify a Project Manager and clearly establish lines of communication within the team, and with the City's Project Manager.

It is expected that the proposed team may have a combination of, but not limited to, the following:

- Civil/ Geotechnical Engineer

To demonstrate knowledge, skill, related experience, relevant education and accreditation of each member proposed to carry out work on the project, the proponent should provide a detailed list of similar projects completed in the past ten (10) years and identify who the projects were completed for. Also provide a brief description of the work that was done and the project outcomes and who on the proposed project team was part of the listed projects.

The proposal content is expected to demonstrate appropriate and relevant knowledge, skills and experience within the team, however, personal resumes for each of the proposed team members should be provided to support the proposal. Personal resumes should be limited to not more than three (3) pages per person

#### 3.4.2 Corporate Information and Experience (15 Points)

Provide a general description of the firm's experience with similar work, particularly in Arctic climates and in/around the City of Iqaluit.

Provide a detailed list of three (3) successfully completed projects within the last ten (10) years, including client references, that demonstrate the Proponent's experience with designing underground utilidor systems, particularly in Iqaluit.

#### 3.4.3 Project Methodology – Approach for Successful Completion (25 Points)

Your proposed solution will demonstrate your understanding of the project and potential for achieving the project objectives. Provide details of your solution and how it will be implemented. Explain how it will successfully achieve the department's goals and objectives and benefit the end users.

CITY OF IQALUIT REQUEST FOR PROPOSALS  
FOR THE PROVISION OF GEOTECHNICAL CONSULTING SERVICES FOR THE ROAD TO NOWHERE  
WATER INFILTRATION INSPECTIONS

Your methodology should also include your proposed means of working with the City project manager, the levels of authority within the Project Team and all lines and means of communication.

You may also summarize your methodology in a work plan or other format which demonstrates a logical sequence of events and identifies specific tasks and the person responsible for completing them.

Proponents should describe any specific challenges and risks that may exist for this project and how those challenges and risks will be managed/mitigated.

**3.4.4 Schedule – Provide a schedule that meets the project objectives (10 Points)**

Provide a schedule for the sequence of events described in the methodology. Identify key milestone dates for submittals, approvals, travel, meetings, etc. Your timeline will be evaluated in light of the time constraints discussed in the Terms of Reference and the timeframes you have set out for each task.

**3.5 Financial Evaluation**

**Total Value 30 Points**

Points will be awarded on the basis of the fixed fee Quotation and the allocation of fees based on the various Phases required of the project.

Each Proponent will receive a percentage of the total possible points allocated to price based on the following formula:

Lowest Price/Proponent Price x 30 Points = Proponents Points.

**4.0 TERMS OF PAYMENT**

The consultant shall be reimbursed monthly for works completed for each service provided.

The invoice shall include the project title, **the Service Contract number**, a description of the work completed, and a billing summary. The summary shall include the tasks as set forth in the costing submission, the proposed costs, costs to date, percentage invoiced to date, and the percentage of work completed to date for each task.

No payment will be made for the cost of work incurred to remedy errors or omissions for which the consultant is responsible.

## **Appendix A – Scope of Work**

CITY OF IQALUIT REQUEST FOR PROPOSALS  
FOR THE PROVISION OF GEOTECHNICAL CONSULTING SERVICES FOR THE ROAD TO NOWHERE  
WATER INFILTRATION INSPECTIONS

## SCOPE OF WORK

The scope of work is to include testing to determining the presence of groundwater in the area and if it could be entering the utilidor carrier pipes. The successful proponent is to carry the following tests:

- Drill 10 boreholes, and install a piezometer and thermistor in each one.
- Measure the ground temperature at the borehole locations once it has stabilized. Leave the thermistors in place and properly protect them to allow measurements to be taken throughout the year. Include adequate flagging to find them in the snow.
- Borehole locations to be determined by the consultant in consultation with the City.
  
- Dig 5 test pits at a depth of 3m each near the residential area, sample ground water in each test pit, and test for chlorine and fluoride.
- Reinstate the holes once complete.

The consultant shall be responsible for all utility locates as required.

Based on the results of the above noted tests, the successful proponent will prepare a brief report outlining the results and evaluating the potential for the water to be entering the carrier pipes.

Proponent is to provide an initial project schedule 1 week after the award of the contract. An updated project schedule must be submitted on a monthly basis.

**4. COMPLETE AGREEMENT**

4.1 This Contract and its attachments constitute the complete Contract between the parties. Except as provided herein, it supersedes and shall take effect in substitution for all previous agreements. It is subject to change only by an instrument executed in writing by the City.

4.2 If this Contract arises from a request for Proposals or tender call, the provisions of the request for Proposals or tender call and the Consultant's Proposal or Proposal submission are incorporated into this Contract and may be used to clarify, explain or supplement this Contract, but shall not be used to contradict any express terms of this Contract.

4.3 In the event of a conflict between this Contract, the Consultant's Proposal or Proposal submission, and the City's original tender Proposal instructions or Request for Proposals, the more recently prepared document shall govern to the extent of such inconsistency.

**5. GENERAL TERMS**

5.1 Any information obtained from or concerning any department of the CITY OF IQALUIT or clients of any department of the CITY OF IQALUIT, by the contractor, its agents or employees in the performance of any contract shall be confidential. The Consultant shall take such steps as are necessary to ensure that any such information is not disclosed to any other person and shall maintain confidential and secure all material and information that is the property of the CITY OF IQALUIT and in the possession of or under the control of the Consultant. This clause survives the termination of this contract.

5.2 Time shall in every respect be of the essence. The Consultant shall deliver the services specified in the contract and according to the project schedule on costs. The CITY OF IQALUIT may grant

**CITY OF IQALUIT REQUEST FOR PROPOSALS  
FOR THE PROVISION OF GEOTECHNICAL CONSULTING SERVICES FOR THE ROAD TO NOWHERE  
WATER INFILTRATION INSPECTIONS**

reasonable extensions to the Consultant for delays, if the Consultant can show those delays were caused by circumstances beyond the control of the Consultant.

- 5.3 The Consultant is an independent Consultant with the CITY OF IQALUIT and nothing in this contract shall be construed or deemed to create the relationship of employee and employer or of principal and agent between the CITY OF IQALUIT and the Consultant. The Consultant is solely responsible for payments of all statutory deductions or contributions including but not limited to pension plans, unemployment insurance, income tax, workers' compensation and the Nunavut Payroll Tax.
- 5.4 This contract shall be interpreted and governed in accordance with the laws of Nunavut and the laws of Canada as they apply in Nunavut.
- 5.5 No waiver by either party of any breach of any term, condition or covenant of this contract shall be effective unless the waiver is in writing and signed by both parties. A waiver, with respect to a specific breach, shall not affect any rights of the parties relating to other or future breaches.
- 5.6 The failure of either party at any time to require the performance of any provision or requirement of this contract shall not affect the right of that party to require the subsequent performance of that provision or requirement.
- 5.7 Title to any report, drawing, photograph, plan, specification, model, prototype, pattern, sample, design, logo, technical information, invention, method or process and all other property, work or materials which are produced by the Consultant in performing the contract or conceived, developed or first actually reduced to practice in performing the contract (herein called "the Property") shall vest in the CITY OF IQALUIT and the Consultant hereby absolutely assigns to the CITY OF IQALUIT the copyright in the property for the whole of the term of the copyright. The Consultant shall not be responsible for any loss or damage suffered by the City of Iqaluit or any third parties resulting from any unauthorized use or modification of the property, errors in transmission of the property, changes to the Property by others, the consequences of design defects due to the design of others, or defects in contract documents prepared by others, and the City of Iqaluit agrees to defend, indemnify, and hold the Consultant harmless from and against all claims, demands, losses, damages, liability and costs associated therewith. Subject to the foregoing, the Property may be relied by the City of Iqaluit for design and construction work undertaken by other parties with respect to the Services provided that such parties verify the accuracy and completeness of the Property to their satisfaction.
- 5.8 It is intended that all provisions of this agreement shall be fully binding and effective between the parties, but in the event that any particular provision or provisions or a part of one is found to be void, voidable or unenforceable for any reason whatever, then the remainder of the agreement shall be interpreted as if such provision, provisions, or part thereof, had not been included.
- 5.9 This contract may be extended by the written consent of the parties.
- 5.10 The CITY OF IQALUIT may delegate any of its authority and undertaking pursuant to this contract to any employee or contractor the CITY OF IQALUIT by notice in writing to the Consultant.

**CITY OF IQALUIT REQUEST FOR PROPOSALS  
FOR THE PROVISION OF GEOTECHNICAL CONSULTING SERVICES FOR THE ROAD TO NOWHERE  
WATER INFILTRATION INSPECTIONS**

- 5.11 This contract shall ensure to the benefit of and be binding on the respective administrators, successors and assignment of each of the parties hereto.
6. CONSULTANT RESPONSIBILITIES
- 6.1 The Consultant shall indemnify and hold harmless, the CITY OF IQALUIT, its officers, employees, servants and agents from and against all claims, actions, causes of action, demands, losses, costs, damages, expenses, suits or other proceedings by whomsoever made, brought or prosecuted in any manner based upon or related to the negligent acts, errors, or omissions of the Consultant under this contract.
- 6.2 The Consultant shall be liable to the CITY OF IQALUIT for any loss or damage to property or equipment that is supplied to or placed in the care, custody or control of the Consultant for use in connection with the contract if such loss or damage is attributable to the negligence or deliberate acts of the Consultant or its employees or agents.
- 6.3 If, in the opinion of the CITY OF IQALUIT acting reasonably, the Consultant is in default in respect of any obligation of the Consultant hereunder, the CITY OF IQALUIT may rectify such default and pursue a claim against the Consultant for any direct costs associated with any such remediation, including a reasonable allowance for the use of the CITY OF IQALUIT's own employees or equipment.
- 6.4 The Consultant may not assign or delegate work to be done under this contract, or any part thereof, to any other party without the written consent of the CITY OF IQALUIT. In the case of a proposed assignment of monies owing to the Contractor under this contract, the consent in writing of the CITY OF IQALUIT must be obtained.
- 6.5 The Consultant shall keep proper accounts and records of the services for a period of 3 years after the expiry or termination of this agreement. At any time during the term of this contract or during the three years following the completion or termination of this agreement, the Consultant shall produce copies of such accounts and records upon the written request of the CITY OF IQALUIT.
- 6.6 The Consultant shall notify the CITY OF IQALUIT immediately of any claim, action, or other proceeding made, brought, prosecuted or threatened in writing to be brought or prosecuted that is based upon, occasioned by or in any way attributable to the performance or non-performance of the services under this contract.
- 6.7 If at any time the Consultant considers their estimates indicate costs will exceed the project budget they will immediately advise the City of Iqaluit. If in the opinion of the City of Iqaluit, acting reasonably, the excess is due to design, costs factors or matters under the control or reasonably foreseeable by the Consultant, the CITY OF IQALUIT may require the Consultant to do everything by way of revision of the design to bring the cost estimate within the project budget. Costs of completing such revisions shall be based upon a level of compensation reasonably appropriate to the circumstances, including the reason for the revisions.
- 6.8 Except as required in the performance of services set out in this agreement, the Consultant must maintain as confidential all data and information made available to the Consultant, the CITY OF IQALUIT, or any other parties which is generated by or results from the Consultant's performance of

**CITY OF IQALUIT REQUEST FOR PROPOSALS  
FOR THE PROVISION OF GEOTECHNICAL CONSULTING SERVICES FOR THE ROAD TO NOWHERE  
WATER INFILTRATION INSPECTIONS**

the Services described in this Contract. All such data and information is the property of the City of Iqaluit. This clause shall survive the termination of the Contract.

**7. TERMINATION**

- 7.1 The CITY OF IQALUIT may terminate this contract at any time upon giving written notice to this effect to the Consultant if, in the opinion of the CITY OF IQALUIT, the Consultant is unable to deliver the service as required, the Consultant's performance of work is persistently faulty, in the event that the Consultant becomes insolvent or commits an act of bankruptcy, in the event that any actual or potential labor dispute delays or threatens to delay timely performance of the contract or the (Consultant Contractor) defaults or fails to observe the terms and conditions of the contract in any material respect.
- 7.2 This contract shall terminate as of the day for termination set out in the written notice and the Consultant shall forthwith invoice the CITY OF IQALUIT for work performed to the date of termination.
- 7.3 Any invoice submitted by the Consultant pursuant to clause 7.2 shall be reviewed by the CITY OF IQALUIT to assess the amount which is properly due and owing for work done by the Contractor prior to termination.

**8. FINANCIAL**

- 8.1 The CITY OF IQALUIT, having given written notice of a breach, may withhold or hold back in whole or in part any payment due the Consultant without penalty, expense or liability, if in the opinion of the Contracting Authority, the Consultant has failed to comply with or has in any way breached an obligation of the consultant. Any such hold back shall continue until the breach has been rectified to the satisfaction of the CITY OF IQALUIT.
- 8.2 The CITY OF IQALUIT may set off any payment due the Consultant against any monies owed by the Consultant to the CITY OF IQALUIT.
- 8.3 The City of Iqaluit will pay the Goods and Services Tax (GST).
- 8.4 Provided all terms and conditions on the part of the Consultant have been complied with, each invoice will be paid thirty (30) calendar days after receipt of the invoice, or thirty (30) calendar days after delivery of the services, whichever is later. Invoices from Nunavut Consultants (as defined by the CITY OF IQALUIT NNI Policy) will be paid twenty (20) calendar days after receipt of the invoice, or twenty (20) calendar days after receipt of the services, whichever is later.
- 8.5 The CITY OF IQALUIT may, in order to discharge lawful obligations or to satisfy lawful claims against the Consultant or a Subconsultant arising out of the execution of work, pay any amount, which is due and payable to the Consultant under the contract, if any, directly to the obligee of and the claimants against the Consultant or Subconsultant.

**9. INSURANCE AND LIABILITY**

**CITY OF IQALUIT REQUEST FOR PROPOSALS  
FOR THE PROVISION OF GEOTECHNICAL CONSULTING SERVICES FOR THE ROAD TO NOWHERE  
WATER INFILTRATION INSPECTIONS**

- 9.1 The Consultant's liability to the City of Iqaluit for claims arising out of this Agreement, or in any way relating to the Services, will be limited to direct damages and to the re-performance, without additional compensation, of any Services not meeting a normal professional standard of care and such liability will, in the aggregate, not exceed the amount of \$1,000,000.00. The limitations of liability will apply, to the extent permitted by law, whether Consultant's liability arises under breach of contract or warranty; tort, including negligence; strict liability; statutory liability; or any other cause of action, and will extend to and include Consultant's directors, officers, employees, insurers, agents and sub-consultants.
- 9.2 In no event will either party be liable to the other party for indirect or consequential damages including without limitation loss of use or production, loss of profits or business interruption.
- 9.3 The Consultant shall, without limiting his obligations or liabilities hereto, obtain, maintain and pay for during the period of this agreement, the following insurance with limits not less than those shown:
- a) Workers' Compensation insurance covering all employees engaged in the work in accordance with the statutory requirements of the Territory or Province having jurisdiction over such employees. If the Consultant is assessed any additional levy, extra assessment or super-assessment by a Workers' Compensation Board as a result of an accident causing injury or death to an employee of the Consultant or any sub-consultant, or due to unsafe working conditions, then such levy or assessment shall be paid by the Consultant at its sole cost and is not reimbursed by the CITY OF IQALUIT.
  - b) Employer's liability insurance with limits not less than \$500,000 for each accidental injury to or death of the Consultant's employees engaged in the work. If Workers' Compensation insurance exists, then in such event, the aforementioned Employer's Liability insurance shall not be required but the Comprehensive General Liability policy referred to in item (e) herein shall contain an endorsement providing for Contingent Employers' Liability insurance.
  - c) Motor Vehicle, water craft and snow craft standard liability insurance covering all vehicles and/or craft owned or non-owned, operated and/or licensed by the Consultant and used by the Consultant in the performance of this agreement in an amount not less than one million dollars (\$1,000,000.00) per occurrence for bodily injury, death and damage to property; and with respect to busses limits of not less than one million dollars (\$1,000,000.00) for vehicle hazards and not less than one million dollars (\$1,000,000.00) for Bodily Injury to or death of one or more passengers and loss of or damage to the passengers property in one accident.)
  - d) Comprehensive General Liability Insurance with limits of not less than two million dollars (\$2,000,000.00) (inclusive) per occurrence for bodily injury, death and damage to property including loss of use thereof. Such insurance shall include but not be limited to the following terms and conditions:
    - Products & Completed Operations Liability \*
    - Consultant's Protective Liability
    - Blanket Contractual Liability
