

ADDENDUM

Project:	Iqaluit West 40 Landfill Site Access Improvements	Addendum No.: 1
		1 Pages
		April 24, 2019
		820973-0066(1.0)

The following change(s) in the RFP Documents are effective immediately.
This Addendum forms part of the RFP Documents.

ITEM	DESCRIPTION	ACTION
1.1	Clarification Questions	
1.1.1	<p>Q1: Are the City trucks to be available 7 days a week?</p> <p>A2: Trucks would be available 5 days a week on week days. There is the potential for work on a sixth day per week, but this is to be confirmed with the City at the time of the request.</p>	
1.1.2	<p>Q2: What are the specifications of the material in the City owned North 40 gravel pit and the quantity?</p> <p>A2: There are no specifications available for this material however it is pit-run, which is essentially sand and gravel. The quantity available is not known, there is an area reserved for a separate project, so the successful bidder will need to use material not in this area.</p>	
1.1.3	<p>Q3: Where is the City owned North 40 gravel pit located, to help evaluate transport time?</p> <p>A3: The North 40 pit located at the top end of Plateau (upper Base road) which is approximately a 30 to 40-minute round-trip drive. It is approximately 9km from the west 40 landfill.</p>
