

ADDENDUM 1

Call for Proposals

The Expansion of Tundra Ridge: Subdivision Design and Construction

Addendum Effective

March 20, 2026, 4 PM local (Iqaluit) time

City Representative

Deborah Nakawungu, Lands Administrator

This Addendum provides clarification and updates in response to additional inquiries received following the issuance of the Call for Proposals.

1 Timeline

1.1 Submission Deadline Extension:

In response to requests from proponents, the City has approved an extension to the proposal submission deadline.

All timelines outlined in Section 5 of the original Call for Proposals are hereby superseded by the revised schedule below.

1.2 Revised Submission Details:

Proposals must be submitted by email to planning@iqaluit.ca no later than **April 14, 2026 at 4:00 PM** (Iqaluit local time). Late submissions will not be accepted.

A hard copy may also be delivered to:
City of Iqaluit
1549 Sivumugiaq Street
Attention: Deborah Nakawungu, Lands Administrator

1.3 Inquiries:

The deadline for inquiries is **April 7, 2026 at 4:00 PM** (Iqaluit local time). All inquiries must be submitted by email only to planning@iqaluit.ca.

The general timeline has been amended as outlined in the table below:

Milestone	Date
RFP Issue Date	January 28, 2026 - 12:00 PM
Last Day for Questions	April 7, 2026 – 4:00 PM
Proposals Due	April 14, 2026 - 4:00 PM
Notice of Award	Up to 4 weeks following due date

2 Topographic Data

The City has received inquiries regarding access to topographic data. As indicated in section 2 of the proposal call, high-resolution topographic data is available to all proponents. Due to the file size, proponents must request this information by emailing planning@iqaluit.ca, and the files will be shared electronically. Requests will only be responded to between 9am and 4pm on regular office days.

3 Figures

Figures depicting Areas A and B did not export to PDF successfully in the first proposal call. They are provided in Appendix A with better resolution and clarity.

4 Availability on Tender Platforms

The City has not posted this Call for Proposals on third-party tendering platforms (e.g., MERX). All official documents, including addenda, are available exclusively on the City of Iqaluit website.
