## Hot Spot at Landfill – Update

April 29, 2022 – Iqaluit, Nunavut

---

The City is working with local contractors to bring materials on site, to aid with suppression of the hot spot.

The landfill will remain closed this morning. An update regarding re-opening will be provided once available.

The road to the deep sea port will remain closed for public safety. An update regarding re-opening will be provided once available.

Residents are reminded to separate all types of batteries out of household waste. They can be dropped off at the landfill entrance.
