Community Wellness Funding Project Proposals

December 21, 2022 – Iqaluit, Nunavut

The City of Iqaluit is currently accepting project applications from individuals and organizations for Community based funding provided under the Government of Nunavut's Community Wellness Funding 2022-2023. This Fund will support project applications up to \$20,000.

The Community Wellness Fund is provided for community-based initiatives that aim to improve the health and well-being of Iqaluit and Nunavummiut.

Applications can be picked up at City Hall or by contacting the Community Funding representative at the below contact.
