City of Iqaluit Facility Standards

March 10, 2023 – Iqaluit, Nunavut

The City Of Iqaluit would like to remind residents that we have zero tolerance for abusive behaviour at City facilities. Residents engaging in abusive behaviour toward staff or residents at any City facility can be refused service and access to all City Facilities.

It is not the City's desire to limit public access to our facilities. We simply want to keep our venues a safe place for staff and residents. Your cooperation is greatly appreciated.
