Email Billing Notification

April 5, 2023 – Iqaluit, Nunavut

The City of Iqaluit would like to remind residents that we are continuing to process email billing notifications for residential and commercial accounts. Account holders receive an emailed copy of their billing accounts monthly.

Please note that we are currently in the process of fixing the translation format for the email billing notifications. We apologize for any inconvenience and hope to have this resolved as soon as possible.

We encourage holders of residential and commercial accounts who wish to receive their billing via email to please send an email to accountsreceivable@iqaluit.ca to receive the billing information form.
