Successful Annual Large Item Pick-up

June 28, 2023 – Iqaluit, Nunavut

The City of Iqaluit wants to thank residents and our partners for another successful year of large item pick-up. Combined with the community Clean-up, the City is looking great for the summer.

There are some items that remain on the roadside. These are items like tires and electronics that were not eligible for large item pick-up. Landlords and residents are reminded that they are responsible for the removal of those ineligible items.

Thank you for helping keep Iqaluit clean.
