Seasonal Construction and Road Work

July 19, 2023 – Iqaluit, Nunavut

The City of Iqaluit Public Works department would like to remind residents that this is the season for construction and road work. Please be aware of City Public Works staff on the roads, and follow all posted signs to keep the public and staff safe.

While the City of Iqaluit publishes information about when and where our major traffic disruptions will occur, smaller projects -taking a day or less- may not receive the same advance notice. Signs will be posted and please remain careful around construction zones.

By following the posted signs and allowing City Public Works staff to work safely, we can all make the most of Iqaluit's seasonal construction season.
