Residential Large Item Pick-up Program

September 3, 2024 – Iqaluit, Nunavut

The City is pleased to announce that the annual residential large item pick-up program will take place from **September 09 to September 14, 2024**. This is an opportunity for residents to discard difficult to remove items without a fee with the help of Public Works.

Residents can dispose of the following items:

- **Two appliances** (washer, dryer, refrigerator, freezer, or stove)
- **Three large household items** that weigh 50 pounds or more and are too large to fit into a black garbage bag. This includes:
 - Furniture (couches, chairs, tables, mattresses, etc.)
 - Flooring (carpets, under padding, and sheet linoleum), bundled in maximum 1.7 m x 1 m (5 ft. x 3 ft.) lengths (one bundle equals one bulk item)
 - Plumbing fixtures, including toilets;
 - Windows and mirrors

Leave your large items during the week of June 24, based on your regular residential garbage pick-up route, in the following manner:

- Placed separate to regular waste by garbage bin
- Organized by material
- Placed into piles
- Not stacked

Items not intended for pick-up should be removed from the garbage bin area (i.e. bikes, toys, etc.) to ensure that they are not taken by mistake.
