Update your Mailing Address with the City of Iqaluit

November 7, 2024 – Iqaluit, Nunavut

The City of Iqaluit's local Post Office recently transitioned from using P.O. Box addresses to civic addresses. As part of this update, it is essential that we have your current and accurate civic address on file.

If you have not already done so, please update your address with Canada Post and provide your updated civic address to the City at your earliest convenience. This is to ensure that all notices are received without any disruptions.

To update your address with the City, please scan the QR code below to complete a web form, email us Lands@iqaluit.ca or call 867-979-5663. You can also visit our office at Building 901, second floor above the Arena.
