Clear Your Snow for Service

November 28, 2024 – Iqaluit, Nunavut

The City of Iqaluit Public Works department would like to remind residents that they have an important role to play in helping us remove your trash.

Residents are responsible for clearing a path through the snow to your trash bin, as well as clearing your driveway.

A little snow on your bin might not seem like much, but when you are accessing 100's of bins a day, it adds up. Every effort you make to help our Sanitation team is appreciated.
