Public Service Announcement

Full Road Closure – Queen Elizabeth Way and Sinaa Street Intersection

- Update

November 29, 2024 – Iqaluit, Nunavut

The City of Iqaluit wishes to inform residents that the completion of sewer installation work at the intersection of Queen Elizabeth Way and Sinaa Street has been delayed. The full road closure will now remain in effect until December 6, 2024 (previously scheduled to end on December 1). This extension is necessary to ensure the safe and successful completion of the project.

We understand this may inconvenience residents, and we sincerely thank you for your patience as we undertake this essential infrastructure upgrade.

Detours:

Traffic will continue to be rerouted via Palaugaa Drive and Mattaaq Crescent. A detour map is available online to assist with navigation.
