

## **Public Service Announcement**

## Thank You to the Summer Clean-Up Crew

September 3, 2025 - Igaluit, Nunavut

The City of Iqaluit extends a sincere thank you to the dedicated members of our Summer Clean-Up Crew. Your hard work and commitment over the summer months have made a noticeable difference across our city. From parks to roadways, your efforts have helped keep Iqaluit cleaner and more welcoming for residents and visitors alike.

As the season begins to change, we invite everyone in our community to help keep the momentum going:

- Please dispose of waste properly,
- Participate in upcoming clean-up events,
- And continue to take pride in our shared spaces.

Together, we can keep Iqaluit beautiful all year long.

Thank you!
