Help Shape Iqaluit’s Boat Storage Area

December 03, 2025 – Iqaluit, Nunavut

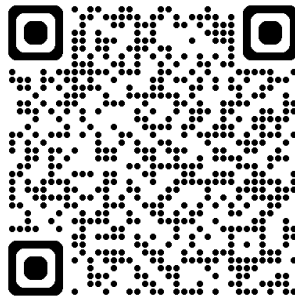

Boats play an essential role in life in Iqaluit – for travel, hunting, and recreation. As our community grows and more residents rely on boats, the City of Iqaluit is exploring the development of a designated boat storage area.

We want to hear from you!

Whether you own a boat or not, your input is important. Your feedback will help guide the planning of a storage area that is secure, accessible, and reflective of how Iqalummiut use and care for their boats.
