

## **PUBLIC SERVICE ANNOUNCEMENT**

### ***SNOW REMOVAL***

**APRIL 11, 2018 (IQALUIT, NUNAVUT)** – The City would like to remind property owners and property managers that, as stated in Municipal Bylaw 591, they are responsible for removing snow and ice either to the rear of parking areas, or from parking areas, to ensure that roadways remain clear for servicing and emergency services access.

In addition, property owners must ensure that any snow pile within five meters of any roadway intersection is limited to one meter in height. As well, snow may only be deposited in designated areas determined by the City.

For additional information regarding snow removal management, please access the link to the Bylaw below:
