

## **PUBLIC SERVICE ANNOUNCEMENT**

### ***WEDNESDAY INFRASTRUCTURE REPAIRS IN 5000s, 5100s, 5200s and 5300s AREAS***

***MARCH 20, 2018 (IQALUIT, NUNAVUT)*** – The City would like to advise residents in the Plateau area that on Wednesday, March 21, 2018, there will be scheduled repairs on the main water line in the 5000s, 5100s, 5200s and 5300s areas, from 9 AM to 4 PM. As a result, there is a possibility of reduced water pressure, as well as a potential of a temporary disruption of water service, during this time.

The City apologizes for any inconvenience, and would like to thank residents for their understanding.
