

**Internal/External Employment Opportunity**  
**Heavy Equipment Operator**

Under the direction of the Roads Maintenance Foreman the Heavy Equipment Operator will safely operate heavy equipment which includes graders, wheeled dozer, front end loaders, back hoe, and dump truck with winter harness and plow. This position is also required to operate trackless sidewalk-plow, and other equipment as required by the department and the supervisor. This position will perform routine and seasonal maintenance on roads, walkways, trails, and perform daily operational checks of equipment. The successful candidate must be able to work long hours, shift work, and in adverse weather conditions as required.
