

JUNIOR FIREFIGHTER PROGRAM

2018 GUIDELINES

Purpose and History

The Iqaluit Fire Department was established in 1999 to provide fire protection services to the community. We are proud to be a composite department serving our community. In 2018 a junior firefighter program was established to develop youth with skills in EMS, fire training and develop community service.

Being a junior firefighter is a rewarding way to learn skills used in firefighting and emergency medicine. Upon learning a minimum number of skills, advanced juniors can and are expected to respond to emergency calls under the supervision of senior firefighters. The jobs that junior firefighters do, free up qualified senior firefighters to perform other crucial tasks. Juniors will learn on the job and with regular training, be able to fight real fires once becoming a resident member. All training, uniforms and personal protective equipment are provided at no cost.

Being a firefighter can be a dangerous job. Strict laws exist to protect minors from the most hazardous dangers. For example, junior firefighters will never enter a burning building or operate on top of a roof. The Iqaluit Fire Department takes safety very seriously and will not tolerate horseplay during training or real emergencies.

It must also be recognized that during emergency conditions, a junior might be asked to complete a task prohibited by law or policy. In this case, the junior member must take responsibility to alert the member asking to the fact it is prohibited. You should then report the request to command at the scene. Once back at the station, you should report the incident to an advisor so that follow up training can be provided to the crew.

YOU SHOULD NEVER INTENTIONALLY BREAK THE LAW, EVEN IN AN EMERGENCY SITUATION.

Introduction

The requirements to be a junior firefighter are as follows. Junior firefighters must be at least 14 years old but not older than 18 years old. They must be able to follow directions under stressful conditions. They should be in good physical condition to perform essential fire ground tasks. Juniors should be willing and able to attend at least 50% of scheduled meetings and required training. Special trainings are optional but highly encouraged. Juniors must maintain a 75% average or higher in their schoolwork to remain active.

Junior firefighters need to be self-starters and be willing to learn. Juniors who regularly strive to learn more and be involved will be rewarded with increasing levels of responsibility and opportunities. Junior members who do not contribute to the department will be removed from active status to allow other juniors the opportunity to participate.

The fire department is proud of its members; junior members are expected to conduct themselves in a professional manner when representing the fire department. Talking about internal fire department activities including finances and other fire department issues such as privacy rights, reduces the public trust and will be dealt with appropriately.

We are happy to have you as a member of the Iqaluit Fire Department. We look forward to some great training and your assistance during actual emergencies.

Welcome.

Rules and Regulations

1. The regular fire department officers will directly supervise the Junior Fire Department. A committee made up of members of the regular fire department, assigned by the Chief, to act as the "Junior Advisors".
2. The Junior Fire Department shall abide by all federal, territorial, municipal and departmental rules and regulations.
3. All members of the Junior Fire Department shall meet the minimum standards and must provide at least 2 references which will be checked prior to initial interview.
4. After the initial interview by the personnel committee, the junior applicant will be brought to a training night. If the junior member wishes to stay as a member they are on a probationary 6 month period. After 6 months the members shall vote to accept the applicant, and then the applicant shall become an official junior member.
5. Junior members do not have voting privileges within the regular fire department. They may attend meetings, but might be asked to leave the room while some issues are discussed.
6. The Iqaluit Fire Department has established a limit of 15 junior positions, if more applications are received; candidates will be evaluated in order in which the applications were received.
7. Dependents of active fire department personnel are automatically accepted regardless of the total number of junior members currently on hand.
8. All juniors must complete the department Junior Orientation Program (JOP). This program includes departmental procedures, building policies, apparatus orientation and command structure.
9. All fire department members must recognize rules and regulations that govern minors and their safety. Junior members are not permitted to participate in activities that are prohibited. Junior members must recognize when they have been asked to perform something not appropriate and will report this to the requesting firefighter and commanding officer.
10. Junior members should not be at the station unsupervised, except during a emergency call.
11. All junior members must sign in and out of the junior time log sheet at the station every time they enter the building. **NO EXCEPTIONS!**
12. Only members that have been asked to talk to the media shall be permitted to do so. All junior members will refer all questions regarding the fire department to the most senior officer on the scene. Juniors are expected to represent the fire department in a positive manner. It is not appropriate to discuss internal matters of the fire department or talk negatively about other members or other fire departments.
13. Junior members and their immediate family may use the station by request and approval of your junior advisor. **DO NOT** bring your friends to hang around the fire station. An occasional, small group is permitted with the approval of your junior advisor.
14. Any injuries occurring during training or a scene call are covered by Worker's Compensation Insurance. All injuries must be reported to the senior officer as soon as practical for documentation and treatment.
