High Rise – Water Warning

February 4, 2023– Iqaluit, Nunavut

The City advises Residents, at about 3am this morning AV 305 on the high rise side of the AV had a major leak. The high rise will experience low pressure or water loss on the top floors 5th to the 8th. The Boarding Home has lost water but Public Works are working on it.

Please stay away from the creek in that area as a lot of water has made it very unstable until it freezes again.

For more information during business hours contact:

Sue Avery

Public Works Clerk

S.Avery@iqaluit.ca | 867-979-5630

To report an urgent water issue (city water main leak or no water pressure) after hours contact:

City Dispatch 867-979-5650
