

PUBLIC SERVICE ANNOUNCEMENT

REMINDER FOR CARDBOARD PICK-UP

MAY 4, 2018 (IQALUIT, NUNAVUT) - The City would like to remind residents that, to help facilitate the collection and disposal of cardboard, please ensure that cardboard products are kept separate from other waste products in the collection bins. Other types of packing material, such as plastic or styrofoam, should be separated out, and included with items intended for garbage pick-up.

To assist City staff, as well as help with access and storage, please ensure to remove snow from around and inside bins.

The City thanks you for your cooperation and support.
